shows that farmed animals are a top contributor to today's serious environmental problems including greenhouse gases. The global increase in meat consumption also causes rates of obesity, diabetes, heart disease, and other diet-related illnesses to soar. If we're going to reverse the damage we've done to our health and the environment, we have to begin now. Around the World Vegan Style is a step in that direction.

Patrice Green, M.D., J.D., Assistant Professor, University of Maryland School of Medicine, Faculty Member, Union Memorial Hospital, Internal Medicine Fellow, American College of Legal Medicine: There is just food and the land to grow that food. If we can all just realize this simple fact for one moment and stop fighting over the land that holds the roots that support the tree that bears the fruit that feeds the child, then maybe just maybe peace.

Around the World Vegan Style is more than a cookbook. Nancy Robinson shares how the vegan lifestyle embraces all facets of just food for all life.

George Eisman, Registered Dietitian, Teacher, and Clinician, Author, *The Most Noble Diet*: I'm delighted to recommend *Around the World Vegan Style*. Nancy Robinson's cooking is out of this world. Luckily, her superb recipes from around the world are right here in this book. Nancy combines exquisite flavors with the most sumptuous dining experience. There is just one thing to do: dig in and enjoy.

Karen Davis, PhD, President, United Poultry Concerns, Author, *Prisoned Chickens, Poisoned Eggs: An Inside Look at the Modern Poultry Industry*: [Deconstructing Evangelicalism](#)

Jamin Andreas Hübner, 2020-01-01: This book is electric. Hübner goes about deconstructing evangelicalism with the skills available only to someone formerly embedded in the apologetics-oriented, take-no-prisoners Calvinist/Piperian/Brownian conservative evangelical subculture. Brilliant. Learned. Passionate. Creative. Angry. Hopeful. Maybe you must read it for yourself and find out. I will be studying this book for a long time to come.

DAVID GUSHEE, Past President, American Academy of Religion and Distinguished University Professor of Ethics, Mercer University: This book is special, at once incendiary and charming. You are invited into the world of Christian fundamentalism in all of its glory and complexities and traumatic realities. This world is a crazy place filled with all of the political zealotry, casual sexism, and apocalyptic young earth creationism one could desire. Hübner's story is a dynamic, sobering testament to that reality. From the depths of his days as an Internet apologist to his interdisciplinary career as a professor, we see the impact of religious fundamentalism on heart, mind, and body. For those who have walked through the valley of the shadow of fear, may you be filled with curiosity and joy at the sight of another theologian on the journey. From one sojourner to another, I am happy to commend to you the work of my colleague and dear friend.

NICHOLAS RUDOLPH QUIENT, Associate Pastor, The First Baptist Church of Redlands, Co-Host of the Sinnergists Podcast, and Author of *The Perfection of Our Faithful Wills*: Many of Jamin's experiences mirror my own, and I am grateful we were friends while surviving as faculty at evangelical liberal arts colleges. Reading this book has once again encouraged me and given me a hopeful way forward, as he always has, as a friend. His theological nuance and understanding highlights why evangelicalism is in many ways so superficial, and it will encourage anyone that their own deconstruction can lead to a stronger, more robust, and more inclusive faith in God. I will be passing along his book to my friends who come to me for help.
