3 Guys Naked From The Waist Down Libretto:

3 Guys Naked from the Waist Down Michael Rupert, Jerry Colker, 1986 Not nearly as provocative as the title would have you believe Three Guys Naked from the Waist Down is the story of three guys attempting to make something of themselves in the world of comedy Overly melodramatic at times the Michael Rupert and Jerry Colker musical is entertaining and boasts a performance by Scott Bakula of Quantum Leap fame **Music, Books on Music, and Sound Recordings** Library of Congress, 1988 [The Complete Book of 1980s Broadway Musicals](#) Dan Dietz, 2016-02-18 For Broadway audiences of the 1980s the decade was perhaps most notable for the so called British invasion While concept musicals such as Nine and Stephen Sondheim's Sunday in the Park with George continued to be produced several London hits came to New York In addition to shows like Chess Me and My Girl and Les Miserables the decade's most successful composer Andrew Lloyd Webber was also well represented by Cats The Phantom of the Opera Song Dance and Starlight Express There were also many revivals such as Show Boat and Gypsy surprise hits The Pirates of Penzance huge hits 42nd Street and notorious flops Into the Light Carrie and Annie 2 Miss Hannigan's Revenge In The Complete Book of 1980s Broadway Musicals Dan Dietz examines in detail every musical that opened on Broadway during the 1980s In addition to including every hit and flop that debuted during the decade this book highlights revivals and personal appearance revues with such performers as Sid Caesar Barry Manilow Jackie Mason and Shirley MacLaine Each entry includes the following information Opening and closing dates Plot summaries Cast members Number of performances Names of all important personnel including writers composers directors choreographers producers and musical directors Musical numbers and the names of performers who introduced the songs Production data including information about tryouts Source material Critical commentary Tony awards and nominations Details about London and other foreign productions Besides separate entries for each production the book offers numerous appendixes including a discography filmography and published scripts as well as lists of Gilbert and Sullivan operettas black themed shows and Jewish themed productions A treasure trove of information The Complete Book of 1980s Broadway Musicals provides readers with a comprehensive view of each show This significant resource will be of use to scholars historians and casual fans of one of the greatest decades in musical theatre history *Our Musicals, Ourselves* John Bush Jones, 2011-04-17 Our Musicals Ourselves is the first full scale social history of the American musical theater from the imported Gilbert and Sullivan comic operas of the late nineteenth century to such recent musicals as The Producers and Urinetown While many aficionados of the Broadway musical associate it with wonderful diversionary shows like The Music Man or My Fair Lady John Bush Jones instead selects musicals for their social relevance and the extent to which they engage directly or metaphorically contemporary politics and culture Organized chronologically with some liberties taken to keep together similarly themed musicals Jones examines dozens of Broadway shows from the beginning of the twentieth century to the present that demonstrate numerous links between what played on Broadway and what played on newspapers front pages

across our nation He reviews the productions lyrics staging and casts from the lesser known early musicals the gunboat musicals of the Teddy Roosevelt era and the Cinderella shows and leisure time musicals of the 1920s and continues his analysis with better known shows including Showboat Porgy and Bess Oklahoma South Pacific West Side Story Cabaret Hair Company A Chorus Line and many others While most examinations of the American musical focus on specific shows or emphasize the development of the musical as an art form Jones s book uses musicals as a way of illuminating broader social and cultural themes of the times With six appendixes detailing the long running diversionary musicals and a foreword by Sheldon Harnick the lyricist of Fiddler on the Roof Jones s comprehensive social history will appeal to both students and fans of Broadway
