School Science Practical Work in Africa Umesh Ramnarain, 2020-06-01 *School Science Practical Work in Africa* presents the scope of research and practice of science practical work in African schools. It brings together prominent science educators and researchers from Africa to share their experience and findings on pedagogical innovations and research informed practices on school science practical work. The book highlights trends and patterns in the enactment and role of practical work across African countries. Practical work is regarded as intrinsic to science teaching and learning and the form of practical work that is strongly advocated is inquiry based learning which signals a definite paradigm shift from the traditional teacher dominated to a learner centered approach. The book provides empirical research on approaches to practical work contextual factors in the enactment of practical work and professional development in teaching practical work. This book will be of great interest to academics, researchers and post graduate students in the fields of science education and educational policy. WAEC in Review Benjamin Freeman Jr., 2014-11-07 *WAEC in Review* is a practical intervention strategy in transforming the weakening educational system of Liberia where academic excellence is unceasingly diminishing.

LIPACE Pilot Study Guide is not only a landmark achievement in the educational history of Liberia but a remarkable stride towards the proper preparation of Liberian students for future diets of the WAEC exam. As a member of the National Committee of the West African Examinations Council and a Stakeholder in the Liberian Education System, I wish to recommend the use of this study guide to adequately prepare each and every Liberian student for future examinations, thereby setting the stage for an easy transition to the emerging West African Senior Secondary Examinations (WASSCE). I am explicitly confident that you will definitely find your journey through this guide very rewarding as you prepare to sit the next WAEC Exam. David S. Massaquoi Sr, director of Education, The Salvation Army Liberia Command Education Secretariat. Our students sit the exam in constant fear of proctors and supervisors. They know nothing about the exam and its structure and this fear leads to them failing massively. We need to build the confidence level of our students and help them to study hard and understand the roles of proctors and supervisors to stop the intimidation during the exam. Thanks to LIPACE and the Turning the Tide project, we have helped our students achieve an amazing achievement for the first time in the history of Gbarpolu County where all senior students successfully passed the exam. Time Will Tell Yemi Elegunde, 2014-01-02 From the bright lights of London's Holland Park into the power cuts and very rural life of Lagos state in Nigeria, all in the blink of an eye. This is the true story of a family torn apart by International Parental Child Abduction. In September 1973, Yemi was just seven years old when he and his younger sister were taken away.

from England by their dad without their mum's knowledge or consent. They lived and grew up in Nigeria for over fourteen years where the only communication they had with their mum was by letters. Without social media, computers or mobile phones, how does a mother track down her missing children? How do the children adapt to the sudden change of lifestyle? This is the story of the events through the eyes of that seven-year-old child from the moment he realised he was in a different country. Yemi relates the stark change of culture, the new family and the voyage of self-discovery. The book covers his roller coaster young life of apprehensions and ecstasy, his rebellions and his loves. It follows his anger as he grew from boy to teenager and his eventual reconciliation with himself and his parents. What kind of man would that boy grow up to be? Time Will Tell. Featured in *The Bookseller*. *Artificial Intelligence in Education* Andrew M. Olney, Irene-Angelica Chounta, Zitao Liu, Olga C. Santos, Igbert Bittencourt, 2024-07-01.
