

Summer Vacation

Summer vacation becomes fun for the kids, beginning with the ringing of the last bell in school. It is the time to get entertained by getting away from the homework and a nice trip to the hometown, hill stations and other cool places to beat the summer heat very easily and happily. However, students get lots of homework assignments from the school to complete at home and submit to school after opening. Even after getting assignments to do at home, they feel relaxed and entertained as they get off from school because of the high heat of summer.
