Standards Edition Sally Moomaw,2020-08-25 For decades early childhood educators in high quality programs have
understood that the transition into reading and writing occurs naturally when young children are surrounded by
opportunities to interact with print in ways that are meaningful to them The original edition of More Than Letters first
published in 2001 showed teachers how to intentionally help children develop literacy skills through hands on play based
activities Like the original edition the Standards Edition is based on theory and research It contains new chapters that
specifically focus on developing the skills needed to decode literature and informational text Expanded chapters include
activities that target specific concepts included in national literacy standards Bitzy's Story JessieMay Kessler,2022-11-04
Imagine sitting in a doctor s office your sick five year old child or grandchild is wiggling in the chair beside you The doctor
says I m sorry to inform you but the only cure for this little heart is six months of total bed rest no getting up for toys or the
toilet Your first thought flashes Is she going to die How on earth can I keep a five year old that quiet How sick is sick And
then the lighter questions Can he run and play again Will she ever get well Open Bitzy s Story and read how Bitzy tells you
she heard this conversation Like many cancer children of today she absorbed the doctor s fears and your parental fears She
tells you what she went through to get better Bitzy recovered from the physical illness but the emotional legacy has haunted
her for a lifetime This simple tale achieves its depth from the therapist s notes accompanying most chapters At the end of
each chapter the adult and trained therapist Bitzy explains the emotional damage that evolved from her family s heritage and
the handling of her illness Bitzy s Story demonstrates a fascinating method of healing wounds from childhood trauma and
gives insights into how to handle your sick child help a friend struggling with their child s illness or why your family
environment changed drastically when your sibling became very ill **Story Stretchers for the Primary Grades** Shirley
