*A Concise History of Australia* Stuart Macintyre,2009-06-29 Australia is the last continent to be settled by Europeans but it also sustains a people and a culture tens of thousands years old For much of the past 200 years the newcomers have sought to replace the old with the new This book tells how they imposed themselves on the land and brought technology institutions and ideas to make it their own It relates the advance from penal colony to a prosperous free nation and illustrates how as a nation created by waves of newcomers the search for binding traditions was long frustrated by the feeling of rootlessness until it came to terms with its origins The third edition of this acclaimed book recounts the key factors social economic and political that have shaped modern day Australia It covers the rise and fall of the Howard government the 2007 election and the apology to the stolen generation More than ever before Australians draw on the past to understand their future

*The Official History of the Cabinet Secretaries* Ian Beesley,2016-12 This book is the official history of British Cabinet Secretaries the most senior civil servants in UK government from the post war period up to 2002 In December 1916 Maurice Hankey sat at the Cabinet table to take the first official record of Cabinet decisions Prior to this there had been no formal Cabinet agenda and no record of Cabinet decisions Using authoritative government papers some of which have not yet been released for public scrutiny this book tells the story of Hankey s post war successors as they advised British Prime Ministers and recorded Cabinet s crucial decisions as the country struggled through the exhaustion that followed World War II grappled with a weak economy that could not support its world ambitions saw the end of the post war economic and social consensus and faced the 9 11 attack on the Twin Towers symbol of Western dominance It looks at events through the eyes of politically neutral senior civil servants the mandarins of Britain It shows how the dramatic

foreshortening of timescales and global news have complicated the working lives of those who daily face the deluge of potentially destabilising events the skills required to see dangers and opportunities around corners when to calm things down and when to accelerate action why secrecy is endemic when government comes close to losing control or when political ambition threatens self destruction This book will be of great interest to students of British politics British history and British government DAME KATHLEEN KENYON Miriam C Davis,2008-08-15 Dame Kathleen Kenyon has always been a larger than life figure likely the most influential woman archaeologist of the 20th century In the first full length biography of Kenyon Miriam Davis recounts not only her many achievements in the field but also her personal side known to very few of her contemporaries Her public side is a catalog of major successes discovering the oldest city at Jericho with its amazing collection of plastered skulls untangling the archaeological complexities of ancient Jerusalem and identifying the original City of David participating in the discipline s most famous all woman excavation at Great Zimbabwe Her development with Sir Mortimer Wheeler of stratigraphic trenching methods has been universally emulated by archaeologists for over half a century Her private life her childhood as daughter of the director of the British Museum her accidental choice of a career in archaeology her working at bombed sites in London during the blitz and her solitary retirement to Wales are generally unknown Davis provides a balanced and illuminating picture of both the public Dame Kenyon and the private person

*Sacred Custodians of the Earth?*  
Alaine M. Low, Soraya Tremayne, 2001 These 13 workshop based papers critique ecofeminist assumptions about traditional societies viewing women as closer to nature and more spiritual than men Following an overview by Low history Open U and Tremayne social and cultural anthropology U of Oxford the first contribution frames the debate over gender politics and environmentalism Next case studies illustrate sacred landscape not intrinsically ecologically oriented in such societies past and present Part III treats nature and gender in several major world religions The final paper discusses contemporary paganism s quest for wholeness The cover title reads Women as sacred custodians of the earth Annotation copyrighted by Book News Inc Portland OR

**Women as Sacred Custodians of the Earth?** Alaine Low, Soraya Tremayne, 2001-12-01 Literature on women development and environment is abundant The relationship between women and ecology has been analyzed by various disciplines by specialists from the North as well as the South This book offers a new perspective specifically to challenge the assumption that women have a special affinity with the Earth and therefore a historic mission for the care of the environment The book explores spiritual religious and philosophical beliefs concerning women and ecology and whether women are truly sacred custodians of the Earth This concept has evolved from ideas developed by eco feminists Whether and how different belief systems can be put to use to create an awareness to protect preserve and improve ecological conditions is discussed The collection of papers demonstrates the complexity of the issues and the variations and vulnerability of the assumed relationship between women and the environment in different cultural and political contexts The book challenges policy solutions which are devised to be on a global scale and to create unrealistic global aspirations and the value of targeting women in a particular attempt to achieve environmentally sustainable development

*Hyperinflation* He Liping, 2017-10-03 Since 1970s when the world was experiencing an age of inflation a great volume of academic research about hyperinflation has been conducted However it is also true that parrot like superficial talks abound without questioning the economic political and social foundations existing underneath the economic phenomenon Based on research results of contemporary economists media reports and historical works this book will be the most comprehensive narrative of all major events of hyperinflation worldwide from the turn of the first millennium to the mid 2010s Firstly it gives a brief illustration of the basic concepts of hyperinflation starting with the definitions and price measurement Then it traces and analyzes all major episodes of hyperinflation that occurred over the past two thousand years or so from the earliest incidence to the four tidal

waves in the 20th century and to the three latest episodes in the 21st century Using basic concepts in modern finance such as indexation and dollarization this book explains why hyperinflation in some countries could explode into astronomical levels while rhythms of hyperinflation in the 20th century world are in resonance of megatrends in world economy and politics Finally this book underscores the importance of policy making institutional building and international relations in the process of hyperinflation and stabilization Scholars and students studying money and finance economic history international finance and economics will be attracted by this book

*Evaluating Indigenous African Tradition for Cultural Reconstruction and Mind Decolonization* Durodolu, Oluwole Olumide, Chisita, Collence T., Marutha, Ngoako Solomon, Familusi, Olumuyiwa Olusesan, 2024-08-22

*Evaluating Indigenous African Tradition for Cultural Reconstruction and Mind Decolonization* is edited by Oluwole O Durodolu and is an insightful book that challenges the derogatory portrayal of African Traditional Religion ATR and highlights the need for cultural reconstruction and mind decolonization The book explores the derogatory descriptions that have been used to describe ATR and argues that subjecting religion to logical inquiry diminishes the essence of worship and promotes disbelief The book examines the relevance of indigenous African tradition to cultural reconstruction and evaluates the place of African culture in the global context The author argues that upholding the general principle of African Traditional belief which upholds communalism and morality can address problems such as corruption poverty and unemployment in the African continent This book is an essential resource for academics students researchers and anyone interested in understanding the relevance of African Traditional Religion in contemporary times and the need for cultural reconstruction and mind decolonization for the betterment of the African continent and the world at large

*African Fans of European Football* Manase Kudzai Chiweshe, Solomon Waliaula, 2025-03-26

This book examines the increasing influence of European football in African societies considering the processes and significance of being a fan and what this means for the wider globalisation of popular culture Focussing on fan cultures in Kenya and Zimbabwe the book argues that instead of manifestations of neo colonialism African fandoms of European football are practised in ways that resonate with and help reconstruct and perform the socio cultural substance of the African communities in question European football is therefore instrumentalised to help define the identities of the members of the fandom communities and articulate their experience of their reality in their immediate circumstances This book reflects how the global and local can coalesce in cultural trends such as football fandom It will interest sports leisure popular culture and social anthropology researchers in Africa and beyond
