Asking and Answering Questions About a Text

Directions: Read, or listen to the teacher read, the passage below about Puckles. Answer the questions about the text. Ask your own questions that can be answered by reading the text.

Mom surprised us today with a new dog! He is a beagle and is white with brown spots and long, floppy ears. We named our new dog Puckles. Puckles likes to jump and run, but he falls over a lot which makes me smile. Puckles did something funny when he ate. He picked up one little piece of food, walked over to the couch, sat down, and ate the piece. Then he walked back over for one more. Puckles will be fun to have as a pet. Thanks mom!

Answer these questions about the text.

1. What does Puckles look like?

2. Why did the girl smile?

3. Who brought Puckles home?

Smart implementation of the Common Core State Standards requires both an overall understanding of the standards and a grasp of their implications for planning teaching and learning. This Quick Start Guide provides a succinct all-in-one look at the content structure, terminology, and emphases of the Common Core standards for mathematics and English language arts and literacy in the lower elementary grades. The meaning of the individual standards within each of the four ELA literacy strands and five math domains, with an emphasis on areas that represent the most significant changes to business as usual. How the standards connect across and within strands, domains, and grade levels to develop the foundational language arts literacy and mathematics understanding that will support a lifetime of successful learning. Here teachers of grades K-2 and elementary school leaders will find information they need to begin adapting their practices to help all students master the new and challenging material contained in the standards. A practical lesson planning process to use with the Common Core based on Classroom Instruction That Works 2nd Ed is included along with six sample lessons. **LEARN THE ESSENTIALS OF THE COMMON CORE** The grade level and subject specific Quick Start Guides in the Understanding the Common Core Standards series, edited by John Kendall, are designed to help school leaders and school staffs turn Common Core standards into coherent, content-rich curriculum and effective classroom level lessons. *Common Core Curriculum Maps in English Language Arts, Grades 9-12* Great Minds, 2011-10-13. The first books to present specific guidance for teaching the Common Core State Standards. Forty-three states plus the District of Columbia and the U.S. Virgin Islands have signed on to adopt the Common Core State Standards (CCSS). The need for curriculum guides to assist teachers in helping students meet these standards has become imperative. Created by teachers for teachers, the research-based curriculum maps in this book present a comprehensive, coherent sequence of thematic units for teaching the skills outlined in the CCSS for English language arts in Grades 9-12. Teachers can use the maps to plan their year and craft their own more detailed lesson plans. Each grade is broken down into six units that include focus standards, suggested works, sample activities, and assessments, lesson plans, and more. The maps address every standard in the CCSS yet are flexible and adaptable to accommodate diverse teaching styles. Any teacher, school, or district that chooses to follow the Common Core maps can be confident that they are adhering to the standards. Common Core
