## 2nd Grade Graphic Organizer To Retell Story:

**Integrating the Arts in Language Arts: 30 Strategies to Create Dynamic Lessons, 2nd Edition** Jennifer M. Bogard, Lisa Donovan, 2022-01-14 Use the arts to inspire engage and motivate students in language arts class This book provides meaningful strategies to help teachers integrate creative movement drama music poetry storytelling and visual arts in language arts topics These teacher friendly strategies bring language arts to life while building students creativity and critical thinking skills

**The Paideia Classroom** Laura Billings, 2013-10-18 With sample lesson plans student assessment forms with rubrics and other practical materials this book shows how the principles of the Paideia Program can result in student learning and understanding

**First, Next, Then, Last** Lauren Kallina Matthes, 2009 Research question and sub questions How will second grade students who are performing below grade level in reading benefit from using stuffed animals and graphic organizers during homogeneous group instruction to aid them in retelling with beginning middle and end 1 How will student s discussion with others about a book lead to increased motivation and retelling skills in reading 2 Will students be able to use character names and correct pronouns when retelling the story using tangible figures to represent the characters during retelling 3 Will having students explain the events of the story to a peer or family member increase their retelling abilities Research activities Context This intervention took place in a self contained second grade classroom of 18 students The research focused on four students three of which were English Language Learners These four below grade level readers struggled with comprehension specifically retelling Methods and data Students were taught about basic story structure beginning middle and end They were taught how to retell the events of the story using both stuffed animals and a graphic organizer to represent the characters in the story After practicing this strategy students worked in their homogeneous reading group read a book at their level and manipulated the stuffed animals to retell the story As homework students were asked to share the story with their siblings parents or friends The following day students told the story to a peer using the figures to help them Data sets included collection of reading levels comprehension scores retelling scores as well as attitudinal data about reading Results Comparisons of baseline and outcome data indicate that the stuffed animals and graphic organizers did positively aid in retelling The graphic organizer allowed students to organize their thoughts of the events that occurred using first then next and last The graphic organizer also provided all students especially the English Learners with a visual aid to see that the story could be divided into sections such as beginning first middle second middle and then last It also provided vocabulary reminders by having the words first next then and last in the separate boxes By using stuffed animals and building the foundation of relating and representing the character with the stuffed animals students were able to use correct pronouns and character names with more accuracy The homogenous grouping allowed students to have less anxiety and focus on the task while increasing both their retelling and motivation Grade level Second Grade Data collection methods Oral Summaries Observation Student Engagement Behavior Tallies
