

Dear Kaylee,

I've been thinking about you a lot lately, and I wanted to reach out to share some of the things happening out here. I wanted to take a moment to let you know how much you're on my mind and to share a bit of what's happening out here. I know things are tough, but I believe in your strength, and I'm here for you every step of the way.

The other day, I went for a walk through the park, and it was absolutely beautiful. The leaves are starting to change, and the crisp air feels refreshing. It reminded me of those times we used to sit by the lake and just watch the sunset together. I really miss those moments, and I hope you can find a little bit of comfort knowing that the beauty of nature is still out there waiting for you.

I've also been trying to cook more recently, which has been an adventure on its own! Last week, I tried making lasagna from scratch, and it actually turned out better than I expected! I think you would have loved it. Have you picked up any new hobbies or learned anything interesting recently? I'd love to hear all about it whenever you have the chance to write back.

I want you to know that you're always in my thoughts. You have an incredible resilience, and I admire your ability to stay strong through everything. Please remember that this is just a chapter in your life, and brighter days are ahead. I can't wait for the day we can catch up properly, but until then, I'll keep writing and keeping you in the loop with everything that's going on.

Stay strong, Kaylee. You've always been tougher than you realize, and I'm so proud of you for hanging in there.

With all my love,

Jana Thompson
