SpeedDating(SM) Yaacov Deyo, Sue Deyo, 2009-10-13. If you're ready to end the dating phase of your life forever by finding your lifelong love, you're ready for SpeedDating. With SpeedDating, a comprehensive dating guide, you'll speed through the dating phase of your life into a committed lifelong relationship, avoiding go-nowhere entanglements and other dating pitfalls. The dating world myth that evaluating a relationship takes months and months or worse years and years causes unnecessary emotional complications, heartache, and time spent in dead-end relationships. With this book in hand, you'll know before you invest your heart whether a relationship has a future. And when you fall in love, SpeedDating will help you determine if that love can last a lifetime. The SpeedDating process helps you find your lifelong love, not a fleeting romance that leaves you back where you began, single. SpeedDaters save the romance for the right relationship. SpeedDating is best known for its fast fun 7 minute round robin dating events which have been featured in major media such as the New York Times and People. But the SpeedDating approach shared in this book takes you beyond the first date to help you reach your goal, marriage, in the quickest possible time to a person you love who will cherish the real you forever. Whether you're new to the dating scene, a veteran, or just returning, SpeedDating will put you on the fast track to a healthy, committed, lifelong relationship.

Love Match Steve Brass, 2013-05-31. Steve Brass is the success behind this book. After a number of dead-end relationships, he began writing Love Match. That's when he met and married the love of his life. You can too. Love Match gets to the core of a relationship by defining and exploring 50 Questions within the Five Pillars of Compatibility: Chemistry, Cash, Communication, Caring, Commitment. Each pillar provides the key questions for every person who is in a relationship or who wants to be in a long-lasting relationship. Steve identified the Five Pillars and developed the 50 Questions while interviewing over one hundred people, single and in all types of relationships. Steve illustrates each section with stories from these interviews as well as his own life. The 50 Questions presented in Love Match provide a refreshing, practical approach to examining romantic relationships. While they were dating, Steve and the woman who is now his wife explored each and every question. The experience Steve gained in his interviews together with the Five Pillars of Compatibility helped them get to the core of their relationship. Steve and his wife are happily married and continue to ask each other questions.
