**Zero Tolerance Policing** Maurice Punch, 2007-11-28 AGREED WITH AUTHOR What is policing about and who defines it This report examines these key issues by exploring the notion of zero tolerance and its application in different settings Following its introduction in New York and the seemingly dramatic reduction in crime zero tolerance policing was taken up in a number of other countries including the UK and the Netherlands This report examines that process It argues that this policy was in fact nothing more than a return to old style crime control policing While it did foster the swift analysis of crime patterns and more assertive policing of public places it could lean towards repression and demonising of certain groups Examining the negative responses of leading police officers and the policy s debatable impact on crime the author concludes that zero tolerance in the UK and the Netherlands was more of a populist political and media creation than a coherent policy This report is far more than an authoritative analysis of zero tolerance It is a valuable source for entering the debate about the big picture in

policing that many stakeholders now wish to see The approachable style of Zero tolerance policing makes it ideal for students academics police practitioners and the lay reader to enter that debate Maurice Punch is Visiting Professor at the Mannheim Centre for Criminology London School of Economics and Political Science and also teaches on criminological programmes at King's College London He has worked at universities in the UK US and the Netherlands and has published widely on corporate crime and police corruption      New Directions in Crime and Deviancy Simon Winlow, Rowland

Atkinson, 2013-06-07 Criminology is at a crossroads In the last two decades it has largely failed to produce the kind of new intellectual frameworks and empirical data that might help us to explain the high levels of crime and interpersonal violence that beset inner city areas and corrode community life Similarly it has failed to adequately explain forms of antisocial behaviour that are just as much a part of life in corporate boardrooms as they are in the ghettos of north America and the sink estates of Britain Criminology needs to rethink the problem of crime and re-engage its audience with strident theoretical analysis and powerful empirical data In New Directions in Crime and Deviancy some of the world's most talented and polemical critical criminologists come together to offer new ideas and new avenues for analysis The book contains chapters that address a broad range of issues central to 21st century critical criminology ecological issues and the new green criminology the broad impact of neoliberalism upon our cultural and economic life recent signs of political resistance and opposition systemic and interpersonal forms of violence growing fear and enmity in cities the backlash against the women's movement the subjective pathology of the serial killer computer hacking and so on Based on key papers presented at the historic York Deviancy Conferences this cutting edge volume also contains important critical essays that address criminological research methods and the production of criminological knowledge It is key reading material for those with an academic interest in critical cultural and theoretical criminology and crime and deviance more generally      **Criminological Perspectives** Eugene McLaughlin, John Muncie, Gordon Hughes, 2003-02-24 This book presents in accessible form the most relevant readings from the diverse criminology literature and provides students with direct access to the main theories and perspectives which underpin and shape the discipline of criminology      Crime, Risk and Insecurity Tim Hope, Richard

Sparks, 2012-11-12 This book presents new empirical and conceptual work on the questions of fear anxiety risk and trust both as problems of everyday living and as key themes in the culture and politics of contemporary Western societies The volume includes contributions from distinguished social researchers from Britain the United States Germany and Italy and will be of interest to academics and students in the areas of criminology and sociology      *Decolonizing the Criminal Question* Ana J. Aliverti, Ana Aliverti, Henrique Carvalho, Anastasia Chamberlen, Máximo Sozzo, 2023 This volume explores the uneasy relationship between crime crime control and colonialism foregrounding the relevance of the legacies of this relationship to criminological enquiries It invites and pursues a better understanding of the links between imperialism and colonialism on the one hand and nationalism and globalisation on the other      **Teaching the American Civil Rights Movement** Julie

Buckner Armstrong, Susan Hult Edwards, Houston Bryan Roberson, Rhonda Y. Williams, 2012-11-12 The past fifteen years have seen renewed interest in the civil rights movement Television documentaries films and books have brought the struggles into our homes and classrooms once again New evidence in older criminal cases demands that the judicial system reconsider the accuracy of investigations and legal decisions Racial profiling affirmative action voting districting and school voucher programs keep civil rights on the front burner in the political arena In light of this there are very few resources for teaching the civil rights at the university level This timely and invaluable book fills this gap This book offers perspectives on presenting the movement in different classroom contexts strategies to make the movement come alive for students and issues highlighting topics that students will find appealing Including sample syllabi and detailed descriptions from courses that prove effective this work will be useful for all instructors both college and upper level high school for courses in history education race sociology literature and political science **So, Anyway...** John Cleese, 2014-11-04 NEW YORK TIMES

**BESTSELLER** John Cleese's memoir is just about everything one would expect of its author smart thoughtful provocative and above all funny A picture if you will of the artist as a young man The Washington Post The legendary writer and performer of Monty Python and Fawlty Towers fame takes readers on a grand tour of his ascent in the entertainment world John Cleese's huge comedic influence has stretched across generations his sharp irreverent eye and the unique brand of physical comedy he perfected now seem written into comedy's DNA In this rollicking memoir Cleese recalls his humble beginnings in a sleepy English town his early comedic days at Cambridge University with future Python partner Graham Chapman and the founding of the landmark comedy troupe that would propel him to worldwide renown Cleese was just days away from graduating Cambridge and setting off on a law career when he was visited by two BBC executives who offered him a job writing comedy for radio That fateful moment and a near simultaneous offer to take his university humor revue to London's famed West End propelled him down a different path cutting his teeth writing for stars like David Frost and Peter Sellers and eventually joining the five other Pythons to pioneer a new kind of comedy that prized invention silliness and absurdity Along the way he found his first true love with the actress Connie Booth and transformed himself from a reluctant performer to a world class actor and back again Twisting and turning through surprising stories and hilarious digressions with some brief pauses along the way that comprise a fascinating primer on what's funny and why this story of a young man's journey to the pinnacle of comedy is a masterly performance by a master performer **The Oxford Textbook on Criminology** Stephen Case, Steve Case, David Manlow, Philip Johnson, Kate Williams, Roger Smith, 2021 The Oxford Textbook on Criminology has been developed by a team of experts to equip you with the knowledge confidence skills and enthusiasm you need to achieve your full potential as a criminologist Back cover
