

CABINET AGENDA ISSUES – 23 NOVEMBER 2020

The House is asked to note the following matters which were considered by the Cabinet at its meeting held on 23 November 2020:

1. Contracts;
2. Legislation;
3. Annual Reports;
4. Board Appointments; and
5. Provision of 500,000 Microsoft Office 365 Education Software Licences Free of Cost to Students in Jamaica.

Each matter shall be elaborated on in turn.

1. Contracts

(i) Supply of the Elhydro Kleenoil Bypass Filtration System to the Jamaica Urban Transit Company Limited

Cabinet approved the award of a contract in the amount of \$251,550,000.00 to Elhydro Limited, for the provision of technical and professional advice, materials, and to perform all attendant operations in the implementation of Phase 3 of the Elhydro Kleenoil Bypass Filtration System project with respect to 150 Jamaica Urban Transit Company (JUTC) buses.

The Elhydro Bypass Filtration System eliminates water and particles from oil, eliminates corrosion, removes dirt and contaminants without removing desirable elements, resulting in a reduction in time required for servicing and engine wear, and an extension of oil drain intervals. This environmentally friendly system leads to overall improved performance of the engines and cooling systems in the units.

(ii) Procurement and Distribution of Textbooks Under the National Textbook Loan Scheme for 2020-2021

Cabinet approved the award of a contract in the amount of \$64,833,264.04 to Kingston Bookshop Limited, for the procurement and distribution of textbooks to be provided for students at the secondary level under the National Textbook Loan Scheme of the Ministry of Education, Youth and Information of 2020-2021.

The National Textbook Loan Scheme was established in 1988 through an agreement between the Governments of Jamaica and Britain. The Scheme provides textbooks in

India and Bilateral Investment Treaties Prabhash Ranjan, 2019-04-24 As a consequence of being sued by more than 20 foreign investors India terminated close to 60 investment treaties and adopted a new Model Bilateral Investment Treaty BIT purportedly to balance investment protection with the host State's right to regulate This book is a critical study of India's approach towards BITs and traces their origin evolution and the current state of play It does so by locating them in India's economic policy in general and policy towards foreign investment in particular India's approach towards BITs and policy towards foreign investment were consistent with each other in the periods of economic nationalism 1947-1990 and economic liberalism 1991-2010 However post 2010 India's approach to BITs has become protectionist while India's foreign investment policy continues to be liberal To balance investment protection with the State's right to regulate India needs to evolve its BIT practice based on the twin framework of international rule of law and embedded liberalism

Divine Agitators Mark Newman, 2011-03-15 The National Council of Churches established the Delta Ministry in 1964 to further the cause of civil rights in Mississippi the southern state with the largest black population proportionately and with the stiffest level of white resistance At its height the Ministry which was headquartered in Greenville had the largest field staff of any civil rights organization in the South Active through the mid 1970s the Ministry outlasted SNCC CORE and the SCLC in Mississippi helping to fill the vacuums when these organizations fell apart or refocused their energies In this first book length study of the Delta Ministry Mark Newman tells how the organization conducted literacy citizenship and vocational training He documents the Ministry's role in fostering the growth of Head Start and community based health care and in widening the distribution of free surplus federal food and food stamps Newman discusses among other Ministry successes the Delta Foundation which created jobs by channeling grant money to small businesses that could not secure bank loans At the same time he details the Ministry's problems from its chronic underfunding to its uneasy relationship with the Mississippi NAACP which pursued civil rights objectives through less confrontational methods Newman examines the Freedomcrafts manufacturing cooperative and other ministry failures as well as mixed efforts such as Freedom City a collective agricultural and manufacturing community built by displaced agricultural workers *Divine Agitators* looks at many inadequately studied events across a time span that extends beyond the widely accepted end dates of the civil rights movement It offers new insights at the most local levels of the movement into conflict within and between civil rights groups the increasing subtlety of white resistance the disengagement of the federal government and the rise of Black Power

Commons,1856 The American Bookseller's Complete Reference Trade List, and Alphabetical Catalogue of Books in this Country Alexander Vietts Blake,1847 **American State Papers** United States. Congress,1834 *Papers Relating to the Foreign Relations of the United States* United States. Department of State,1951 **Social Security in Contemporary Japan** Mari Osawa,2013-06-17 The present study analyzes the livelihood security system of contemporary Japan in international comparison from a historical and gender perspective It posits livelihood security systems rather than welfare states or welfare regimes as its object of analysis to enter the role of non governmental institutions and of governmental policies reaching beyond income transfers into vision Based on rich statistical materials the evolution of Japan s livelihood security system in recent decades is traced to reveal a rigid male breadwinner orientation increasingly out of step with social realities The need for remedying the gender bias built into Japan s social insurance schemes has been politically highlighted since the late 1990s but legislative action has continued to be deferred The author argues that at present the livelihood security system of Japan is not only dysfunctional but actually functioning in reverse in a sense of furthering social exclusion The study concludes with suggestions for a possible reconstruction of Japan s social security system arguing for an increased role of the third sector or social economy in livelihood security and care provision This book will appeal to scholars and students with an interest in social policy welfare economics and gender studies as well as Japanese politics and society

Margaret Thatcher Charles Moore,2015-10-06 In June 1983 Margaret Thatcher won the biggest increase in a government s Parliamentary majority in British electoral history Over the next four years as Charles Moore relates in this central volume of his uniquely authoritative biography Britain s first woman prime minister changed the course of her country s history and that of the world often by sheer force of will The book reveals as never before how she faced down the Miners Strike transformed relations with Europe privatized the commanding heights of British industry and continued the reinvigoration of the British economy It describes her role on the world stage with dramatic immediacy identifying Mikhail Gorbachev as a man to do business with before he became leader of the Soviet Union and then persistently pushing him and Ronald Reagan her great ideological soulmate to order world affairs according to her vision For the only time since Churchill she ensured that Britain had a central place in dealings between the superpowers But even at her zenith she was beset by difficulties The beloved Reagan two timed her during the US invasion of Grenada She lost the minister to whom she was personally closest to scandal and almost had to resign as a result of the Westland affair She found herself isolated within her own government over Europe She was at odds with the Queen over the Commonwealth and South Africa She bullied senior colleagues and she set in motion the poll tax Both these last would later return to wound her fatally In all this Charles Moore has had unprecedented access to all Mrs Thatcher s private and government papers The participants in the events described have been so frank in interview that we feel we are eavesdropping on their conversations as they pass We look over Mrs Thatcher s shoulder as she vigorously annotates documents so seeing her views on many particular issues in detail and we

understand for the first time how closely she relied on a handful of trusted advisors to help shape her views and carry out her will We see her as a public performer an often anxious mother a workaholic and the first woman in western democratic history who truly came to dominate her country in her time In the early hours of 12 October 1984 during the Conservative party conference in Brighton the IRA attempted to assassinate her She carried on within hours to give her leader s speech at the conference and later went on to sign the Anglo Irish agreement One of her many left wing critics watching her that day said I don t approve of her as Prime Minister but by God she s a great tank commander This titanic figure with all her capacities and all her flaws storms from these pages as from no other book **Contextualizing Jamaica's Relationship**

with the IMF Christine Clarke,Carol Nelson,2020-10-05 This ambitious book provides a comprehensive quantitative and qualitative assessment of Jamaica s ties to the International Monetary Fund focusing on Jamaica s historical relationship with the IMF and reflecting on the domestic and international discourse surrounding the evolution of this relationship Notably this volume presents a critical analysis of Jamaica s first engagement with and departure from the IMF and interrogates the political economy of the period Jamaica s economic experiences are assessed in the context of major global events including the food price crises of 2007 and the global economic crises of 2008 and 2009 This book also looks at policy implications and its well researched analysis will be of great value to practitioners and policymakers as well as academics *Statutes and Ordinances of the University of Cambridge* 2009 University of Cambridge,2009-10-08 The 2009 10 volume of the formal governing regulations of the University of Cambridge annually updated *The Pulpit Cyclopædia, and Christian Minister's Companion* Jabez Burns,1845 **Sessional Papers** Great Britain. Catholic Church and the Northern Ireland Troubles, 1968-1998 Margaret M. Scull, 2019 Until surprisingly recently the history of the Irish Catholic Church during the Northern Irish Troubles was written by Irish priests and bishops and was commemorative rather than analytical This study uses the Troubles as a case study to evaluate the role of the Catholic Church in mediating conflict During the Troubles these priests and bishops often worked behind the scenes acting as go betweens for the British government and republican paramilitaries to bring about a peaceful solution However this study also looks more broadly at the actions of the American Irish and English Catholic Churches as well as that of the Vatican to uncover the full impact of the Church on the conflict This critical analysis of previously neglected state Irish and English Catholic Church archival material changes our perspective on the role of a religious institution in a modern conflict **Unity and the University** ,1886 American State Papers USA,1834
