Read the passages below and count how long you take to read them!

The Wink!

The big day was here. Rosa was in the school orchestra and tonight was the winter concert. It was the first time she would play the piano in front of an audience.

Rosa was worried all day in school. When she got home she had butterflies in her stomach. She was still scared when she left for the concert. Rosa went backstage and peeked out from behind the curtain and watched her friend Sam play his horn. Sam never made a mistake. He looked fine. Then Rosa saw her parents in the third row. Her father caught her eye and winked. Suddenly, Rosa knew she could do it. She would pretend she was playing for just her mom and dad.

Rosa stepped onto the stage. She played her song well. When it was over, Rosa grinned. She winked at her parents and ran off the stage. Rosa's stage fright was over.
