Ekeocha,2024-01-10 Despite centuries of scholarly and popular engagement much confusion still hangs over Jesus Olivet Discourse There is no consensus on the nature and meaning of the disciples question in Matt 24 3 How is the temple s fate related to the parousia or second coming of Jesus Is the Great Tribulation past present or future Will Christians be raptured to heaven Should you rather prefer to be left behind Combining inductive and discourse grammar approaches as bases for literary structure and analysis this study is a holistic and compelling fresh interpretation of Jesus eschatological discourse that provides answers to these questions The author shows that extant interpretive frameworks fail to adequately account for the biblical data Moreover and unlike the available treatments the study sheds light on the discourse s structural and theological function within Matthew s Gospel as a whole and how it coheres with New Testament teaching in general

The Papers of Henry Clay. Volume 7: Secretary of State, January 1, 1828-March 4, 1829 Henry Clay, The Papers of Henry Clay span the crucial first half of the nineteenth century in American history Few men in his time were so intimately concerned with the formation of national policy and few influenced so profoundly the growth of American political institutions Volume 7 the fourth and final of those dealing with Clay s role as secretary of state carries the story of his career from January 1 1828 to March 3 1829 During these fourteen months Clay and President John Quincy Adams strive unsuccessfully to solve a number of nagging diplomatic problems before leaving office Among these are the northeast boundary controversy with Great Britain the exclusion of American trade from the British West Indies and the settlement of

U S spoliation claims with France Equally frustrating to Clay is the fact that the enormous amount of time and effort he has expended in Adams s reelection campaign has produced so little in return To his genuine amazement and dismay Andrew Jackson defeats Adams decisively The volume ends in March 1829 with Clay facing an uncertain future Unsure whether he wants again to practice law he contemplates instead the prospect of managing Ashland his Lexington estate At the same time convinced that the Jackson administration can only end in disaster Clay s thoughts turn to running again for the White House in 1832 With this possibility in mind the nation s ninth secretary of state leaves Washington for home Publication of this book was assisted by a grant from the National Historical Publications and Records Commission
