per se are valuable to God and they can be infused with God given solutions biblically based to the challenges they are facing  
One of these challenges are father absence and it is a devastated social ill in many communities Even so missional fatherhood  
can be a buffer against father absence un involvement of fathers and numerous family issues Missional fathers are filled with  
a God given mission aiming to instil a love for Christ in the hearts of their children They are not only called but obliged to  
lead sacrificial lives for the sake of their families Their hearts engage with their children on aspects in life that matters the  
most Transforming their minds by the Word of God and serving God the Father is far reaching Missional fathers are not only  
disciple makers in their homes but also in their respective communities This present day notion is God s calling on every  
father to be part of the Gospel and God s holistic mission and is in response to Jesus s Great Commission to make disciples of  
all people including families All who decided and turn to the way of Jesus Christ form part of the mission that God had given
