

A beautiful craft with all the fine lines and splendid craftsmanship of Century standard

The Century 16, Utility

HERE is speed, beauty, comfort, and utility all in one. There is lots of room to walk around . . . room to pile baggage or tackle . . . a boat for all the odd jobs one wishes to do around the summer home . . . and yet having plenty of comfort when one desires it as a passenger boat. It is roomy, carries six passengers comfortably, together with their luggage.

It will do 34 miles an hour comfortably. It is a boat that you can be mighty proud to drive . . . has the same hull as the Sea Maid 50 with all its fine riding qualities.

May we mention here that motors are always tested and every Century model is given exhaustive tests . . . that is why they give such universal satisfaction.
