Owner's Manual

This manual describes the operation and performance of the 1957 and 1958 Cessna Model 182, and the 1958 Cessna Skylane. Equipment described as "Optional" denotes that the subject equipment is optional on the Model 182. Much of this equipment is standard on the 1958 Cessna Skylane. Except for minor equipment changes, the 1957 and 1958 models are identical structurally and operationally, and have the same performance; therefore, this manual is applicable for both years. The only difference between a 1957 and 1958 model is the rudder trim system which is installed on the 1958 model only. The 1957 model has a rudder trim tab which is also described in this manual.
