*Club*" Michael Frank, 2009-11-08 Examination Thesis from the year 2009 in the subject English Language and Literature Studies Literature grade 1.5 University of Heidelberg language English abstract Art has always reflected society *Fight Club* examines violence and the roots of frustration that are causing people to reach out for such radical solutions And that's

exactly the sort of discussion we should be having about our culture Because a culture that doesn't examine its violence is a culture in denial which is much more dangerous This assessment of *Fight Club* by Edward Norton who plays the narrator in the novel's movie adaptation explains the reasoning behind this thesis which examines the basic principles of today's consumer culture its connection to aggression and violence and the way these topics are presented in two contemporary novels Bret Easton Ellis's *American Psycho* and Chuck Palahniuk's *Fight Club* In these books the respective protagonists face similar deadlocks connected to life in the consumerist world of the 1980s and 1990s Despite evidently having everything a person could ask for both main characters' lives remain unfulfilled leaving them frustrated and dissatisfied As it turns out acts of violence become the only thing that lets them get away from the boredom of their daily routine and gives them a sense of satisfaction

Consuming and Consumed People. Violence in American Psycho Florian Burkhardt, 2005-11-04 Seminar paper from the year 2005 in the subject American Studies Culture and Applied Geography grade 2.0 University of Stuttgart language English abstract Bret Easton Ellis' *American Psycho* has been a highly controversial book Many critics condemned this novel before it had been published so Ellis even had to search for a new publishing company The indignation at *American Psycho* had been so fierce it verged on hysteria and some interest groups feminist and religious groups for instance agitated against the author and his work<sup>1</sup> The main reason why critics reacted that outraged was the explicit and detailed description of violence in this book<sup>2</sup> In this paper I will discuss the appearance of violence in *American Psycho* But first I want to create a picture of social phenomena in the USA of the 80s as they are described in the novel in order to provide the setting the atmosphere in which the violence takes place This will help to give an opinion of this violence and to interpret it Then I will discuss how violence is presented in the text In the fourth

"Abandon All Hope" - consumerism and loss of identity in Bret Easton Ellis's "American Psycho" as an example of blank fiction Anja Schiel, 2008-04-23 Thesis M.A. from the year 2005 in the subject American Studies Literature grade 1.5 University of

Hamburg Sprach Literatur und Medienwissenschaft language English abstract Bret Easton Ellis's *American Psycho* has been labeled many things from Brat Pack Fiction to Generation X to Minimal Realism. While the classification of the novel might be difficult and it has often been misunderstood for its extremely violent scenes, what is clear to the attentive reader is its critique of consumer culture. Critics have acknowledged an emergence of a large number of writings dealing with this topic in contemporary American literature in the recent past. These novels focus on the relationship of American youth with consumer culture with a seemingly non-elaborate content and style. Attempts of explaining this kind of writing, which has also been called fiction of insurgency, new narrative, downtown writing, and punk fiction, range from millennial angst to the classification of this literary movement as part of the postmodern culture. What seems clear is that these narrations are closely related to the society they have been created in. The way these texts incorporate products of their time as a constant accompanying element places them very clearly in a specific time period. The apparent non-existence of complexity concerning the style, which at times reminds the reader of a movie script or a sequence of an MTV video, has in the case of *American Psycho* caused many critics to classify the novel as boring and deny the author the status of an artist. Exactly this seeming meaninglessness of these novels argues in favor of a term introduced by critics James Annesley and Elizabeth Young: Blank fiction or Blank Generation Fiction. The term Blank fiction seems to capture perfectly the emptiness created by consumer culture that has found its way into these narratives not simply in its context but also by means of its language incorporating consumer goods into the narrative as secondary characters. In the case of *American Psycho*, ascribing more character to these objects than to the protagonists.

*American Psycho (Spanish Edition)* Bret Easton Ellis, 2021-03-23. La novela más infame de Bret Easton Ellis, un clásico contemporáneo que se ha convertido en símbolo de una generación. El sofisticado inteligente y vanidoso Patrick Bateman trabaja en Wall Street, idolatra al joven magnate Donald Trump, cena en los restaurantes de moda de Nueva York y es capaz de distinguir un traje Armani a cincuenta metros de distancia. También le gusta violar, torturar, asesinar y desmembrar. *American Psycho*, la novela más polémica de Bret Easton Ellis, se ha convertido en el reflejo más descarnado de la sociedad hipermaterialista de finales de los 80 y en una de las obras maestras de finales del siglo XX. Bret Easton Ellis lanza una crítica corrosiva hacia el egoísmo y la depravación del capitalismo exacerbado, un retrato desolador, irónico y rabiosamente vigente de un mundo al borde del colapso en el que todavía vivimos. La novela más infame de Bret Easton Ellis, un clásico contemporáneo que se ha convertido en símbolo de una generación. *American Psycho* sigue siendo la expresión literaria más indispensable y salvaje sobre la sociedad que hemos construido.

Irvine Welsh ENGLISH DESCRIPTION The modern classic, the basis of a Broadway musical and major motion picture from Lions Gate Films, starring Christian Bale, Chloe Sevigny, Jared Leto, and Reese Witherspoon, and directed by Mary Harron. In *American Psycho*, Bret Easton Ellis imaginatively explores the incomprehensible depths of madness and captures the insanity of violence in our time or any other. Patrick Bateman moves among the young and trendy in 1980s Manhattan. Young, handsome, and well-educated, Bateman earns

his fortune on Wall Street by day while spending his nights in ways we cannot begin to fathom Expressing his true self through torture and murder Bateman prefigures an apocalyptic horror that no society could bear to confront Imperial Bedrooms Bret Easton Ellis, 2011-04 De nihilistische rijke jongeren uit de roman *Less than zero* 1985 hebben zich ontwikkeld tot narcistische delinquenten in de Hollywoodse filmwereld Lunar Park Bret Easton Ellis, 2006-08-29 NATIONAL BESTSELLER From the New York Times bestselling author of *American Psycho* and *Less Than Zero* comes a chilling tale that combines reality memoir and fantasy to create a fascinating portrait of this most controversial writer but also a deeply moving novel about love and loss parents and children and ultimately forgiveness John Cheever writes *The Shining* Stephen King Entertainment Weekly Bret Ellis the narrator of *Lunar Park* is the bestselling writer whose first novel *Less Than Zero* catapulted him to international stardom while he was still in college In the years that followed he found himself adrift in a world of wealth drugs and fame as well as dealing with the unexpected death of his abusive father After a decade of decadence a chance for salvation arrives the chance to reconnect with an actress he was once involved with and their son But almost immediately his new life is threatened by a freak sequence of events and a bizarre series of murders that all seem to connect to Ellis's past His attempts to save his new world from his own demons makes *Lunar Park* Ellis's most suspenseful novel Look for Bret Easton Ellis's new novel *The Shards* *Mary Harron's movie adaptation of Bret Easton Ellis's "American Psycho". A feminist movie* Tobias Utz, 2013-08-28 Seminar paper from the year 2013 in the subject American Studies Literature grade 1 0 Catholic University Eichstätt Ingolstadt language English abstract I'm always shocked when people want to make movies out of my books They have cinematic scenes they have a lot of dialogue but often they don't have that narrative momentum a movie needs Shulman par 12 said Bret Easton Ellis the author of the novel *American Psycho* in an interview about movie adaptations of his books Ellis wrote a total of seven novels and became one of the most famous authors of postmodern American literature His third novel *American Psycho* was published in 1991 and turned into a movie in 2000 by Mary Harron Yet the missing narrative momentum Ellis mentioned was not Harron's only problem while adapting the novel When *American Psycho* was published in 1991 it was not well received Because of its extremely graphic scenes of violence and pornography the novel caused a chorus of outrage among critics Female activist groups complained that it was a how to novel on the torture and dismemberment of women McDowell par 1 Ellis even received death threats and had to face furious outcries from women Ellis was surprised that the novel provoked such reactions because he intended the novel to be a black comedy and a critique of the capitalist society in New York City in the 1980s His intention was to decry the greed envy and the urge for conformity present at Wall Street at that time However the satiric elements of his novel were almost completely overshadowed by the violent and pornographic passages which led many people to misinterpret the novel's message The reactions to Mary Harron's movie adaptation of *American Psycho* were much friendlier Watching *American Psycho* is like witnessing a bravura sleight of hand feat In adapting Bret Easton Ellis's turgid gory 1991 novel to the screen

the director Mary Harron has boiled a bloated stew of brand names and butchery into a lean and mean horror comedy classic Holden par 1 In view of this change of opinion from the novel to the movie adaptation it is justified to take a closer look at how Harron adapted Ellis s novel In the framework of the seminar Literature and Media A Kaleidoscope this paper analyzes the rehabilitation of the novel focusing on internal changes and the resulting changes in the effect on the audience Mary Harron rehabilitated American Psycho by turning it into a feminist movie

**Violence In American Psycho. Forms And Function** Till Neuhaus, 2020-07-24 Seminar paper from the year 2015 in the subject American Studies Literature grade 1 7 Bielefeld University Linguistik und Literaturwissenschaft language English abstract Why was there such a public outcry about American Psycho To add further dimensions to this question this paper will try to provide a deeper insight on the functions of violence in American Psycho To pursue that goal this paper follows a certain structure After providing background information on the author historical context and also the creational process of the book itself violence as portrayed in American Psycho will be analyzed Therefore a theoretical framework which ascribes specific functions to certain forms of violence will be created In a second step the forms of violence as presented in American Psycho will be discussed and classified on the basis of the previously constructed framework After having found named and classified distinct features of violence and their functions in the novel it will be investigated to what extent the horror Bret Easton Ellis has created differs from traditional illustrations of violence and horror The overarching question of this segment will be What did Bret Easton

Ellis do differently which would explain the audience's intensive feeling of horror. The introductory hypothesis is that American Psycho was able to use violence on various levels and with multiple functions. Violence is not solely used to assign certain character traits to the protagonist and the society he lives in but also serves as vehicle to overcome the protagonist's problems, namely anonymity of the cold-hearted world presented in the novel. Furthermore, violence also serves as a symbol for a constant and omnipresent threat which creates the feeling of horror. Additionally, violence is also used as a provocation while simultaneously hinting at the absence of ethics which then again turns out to be social criticism of the protagonist's world. In addition to this, the horror Bret Easton Ellis creates unites well-known concepts, brands, locations, etc. and combines those with an until then unknown feature, namely irrational and thereby uncontrollable violence. This creates a feeling of realism which together with the absence of ethics, moral judgment, and rationality leaves the reader behind in a more vulnerable state than solely explicit violence in a surreal setting. This hypothesis will be taken up by the end of the paper and will then be verified, falsified, or further modified.
