

# COHERENCE

## DEFINITION

Coherence refers to the logical and consistent interrelation of ideas. In a coherent argument, the content flows smoothly, making it easier for readers or listeners to understand and follow. Coherence is achieved through the organized structure of ideas, clear connections between concepts, and the use of transitional words and phrases.

## EXAMPLES

- **Transitional Phrases:** Use transitional words and phrases like "however," "in addition," "on the other hand," and "as a result" to guide readers through your argument.
- **Consistent Tense:** Stick to one tense (past, present, future) throughout your writing to avoid confusing readers.

, Beatrice and Virgil Yann Martel, 2010-04-13 BONUS This edition contains a Beatrice and Virgil discussion guide When Henry receives a letter from an elderly taxidermist it poses a puzzle that he cannot resist As he is pulled further into the world of this strange and calculating man Henry becomes increasingly involved with the lives of a donkey and a howler monkey named Beatrice and Virgil and the epic journey they undertake together With all the spirit and originality that made Life of Pi so beloved this brilliant new novel takes the reader on a haunting odyssey On the way Martel asks profound questions about life and art truth and deception responsibility and complicity **How To Be An Effective Teacher In Higher Education** Mortiboys, Alan, 2010-10-01 How To Be An Effective Teacher in Higher Education is a highly practical resource for lecturers with a particular focus on working with large groups of students especially in a lecture environment Alan Mortiboys is an experienced teacher and lecturer who runs courses and workshops for higher education institutions The book draws upon his many years of experience and is a distillation of the common concerns and issues raised by workshop participants How To Be An Effective Teacher in HE is designed to complement and support the National Professional Standards Framework for Teaching and Supporting Learning in Higher Education and maps directly on to the six areas of activity outlined in the Framework **Luxuriant Gems of the Spring and Autumn** Zhongshu Dong, 2015-12-15 The Spring and Autumn Chunqiu is a chronicle kept by the dukes of the state of Lu from 722 to 481 B C E Luxuriant Gems of the Spring and Autumn Chunqiu fanlu follows the interpretations of the Gongyang Commentary whose transmitters sought to explicate the special language of the Spring and Autumn The work is often ascribed to the Han scholar and court official Dong Zhongshu but as this study reveals the text is in fact a compendium of writings by a variety of authors spanning several generations It depicts a utopian vision of a flourishing humanity that they believed to be Confucius s legacy to the world The Gongyang masters thought that Confucius had written the Spring and Autumn employing subtle phrasing to indicate approval or disapproval of important events and personages Luxuriant Gems therefore augments Confucian ethical and philosophical teachings with chapters on cosmology statecraft and other topics drawn from contemporary non Confucian traditions A major resource this book features the first complete English language translation of Luxuriant Gems divided into eight thematic sections with introductions that address dating authorship authenticity and the relationship between the Spring and Autumn and the Gongyang approach Critically illuminating early Chinese philosophy religion literature and politics this book conveys the brilliance of intellectual life in the Han dynasty during the formative decades of the Chinese imperial state **Ghostwriting** Richard T. Gray, 2017-11-16 Ghostwriting provides the first comprehensive analysis of the fictional prose narratives of one of contemporary Germany s most recognized authors the migr writer W G Sebald Examining Sebald s well known published texts in the context of largely unknown unpublished works and informed by documents and information from Sebald s literary estate this book offers a detailed portrait of his characteristic literary techniques and how

they emerged and matured out of the practices and attitudes he represented in his profession as a literary scholar The title Ghostwriting signals the convergence in Sebald's works of a set of diverse historical questions philosophical views and literary practices Many historical ghosts haunt Sebald's narratives on the level of story Moreover Sebald's narrator plays the role of a ghostwriter in the profound sense that his stories fictionally re-enact the histories of obscure but once living individuals whose lives they revitalize and whose fates are tied up with the most virulent historical conjunctures of the modern world This study thus seeks to comprehend the constitutive elements of Sebald's poetics of history his implementation of literary tools for effective historical memorializing

Ghosts of Memory Janet Carsten, 2008-04-15 Ghosts of Memory provides an overview of literature on relatedness and memory and then moves beyond traditional approaches to the subject exploring the subtle and complex intersections between everyday forms of relatedness in the present and memories of the past Explores how various subjects are located in personal and familial histories that connect to the wider political formations of which they are a part Closely examines diverse and intriguing case studies e.g. Catholic residents of a decayed railway colony in Bengal and sex workers in London Brings together original essays authored by contemporary experts in the field Draws on anthropology literature memory studies and social history

Postmodern Poetry and Queer Medievalisms: Time Mechanics David Hadbawnik, 2022-06-06 This volume builds on recent scholarship on contemporary poetry in relation to medieval literature focusing on postmodern poets who work with the medieval in a variety of ways Such recent projects invert or queer the usual transactional nature of engagements with older forms of literature in which readers are asked to exchange some small measure of bewilderment at archaic language or forms for a sense of having experienced a medieval text The poets under consideration in this volume demand that readers grapple with the ways in which we are still medieval in other words the ways in which the questions posed by their medieval source material still reverberate and hold relevance for today's world They do so by challenging the primacy of present over past toppling the categories of old and new and suggesting new interpretive frameworks for contemporary and medieval poetry alike

Style Guide The Economist, 2015-06-23 This expanded twelfth edition of the bestselling guide to style is based on the Economist's own updated house style manual and is an invaluable companion for everyone who wants to communicate with the clarity style and precision for which the Economist is renowned As the introduction says clarity of writing usually follows clarity of thought The Economist Style Guide gives general advice on writing points out common errors and clichés offers guidance on consistent use of punctuation abbreviations and capital letters and contains an exhaustive range of reference material covering everything from accountancy ratios and stock market indices to laws of nature and science Some of the numerous useful rules and common mistakes pointed out in the guide include Which informs that defines This is the house that Jack built But This house which Jack built is now falling down Discreet means circumspect or prudent discrete means separate or distinct Remember that Questions are never indiscreet Answers sometimes are Oscar Wilde Flaunt means display flout

Tagore Praise Perhaps only a decade ago such an ambitious world spanning project would have seemed absurd outside a congress of anthropologists or bankers Today it represents a state of the art sensibility reflecting the efforts of an equally various geocultural assembly of scholars The implications for a community of readers not only interested in but competently sensitive to such far flung narrative geographies is equally stunning William Boelhower University of Padua Italy Author of *Through a Glass Darkly* *Ethnic Semiosis in American Literature* Hermes' Dilemma and Hamlet's Desire Vincent Crapanzano,1992 In essays that question how the human sciences particularly anthropology and psychoanalysis articulate their fields of study Crapanzano addresses nothing less than the enormous problem of defining the self in both its individual and collective projections Colonial Virtue Kasey Evans,2012-01-14 *Colonial Virtue* is the first study to focus on the role played by the virtue of temperance in shaping ethical debates about early English colonialism Kasey Evans tracks the migration of ideas surrounding temperance from classical and humanist writings through to sixteenth and seventeenth century applications emphasizing the ways in which they have transcended the vocabularies of geography and time *Colonial Virtue* offers fresh insights into how English Renaissance writers used temperance as a privileged lens through which to view New World morality and politically to justify colonial practices in Virginia and the West Indies Evans uses literary texts including *The Fairie Queene* and *The Tempest* and sources such as sermons dictionaries and visual artifacts to navigate alliances between traditional semantics and post colonial political criticism Beautifully written and deeply engaging *Colonial Virtue* also models an expansive methodology for literary studies through its close readings and rhetorical analyses

*Robert Bresson* Tony Pipolo,2010-01-19 Perhaps the most highly regarded French filmmaker after Jean Renoir Robert Bresson created a new kind of cinema through meticulous refinement of the form's grammatical and expressive possibilities In thirteen features over a forty year career he held to an uncompromising moral vision and aesthetic rigor that remain unmatched Robert Bresson *A Passion for Film* is the first comprehensive study to give equal attention to the films their literary sources and psycho biographical aspects of the work Concentrating on the films cinematographic imagistic narrative and thematic structures Pipolo provides a nuanced analysis of each film including nearly 100 illustrations elucidating Bresson's unique style as it evolved from the impassioned *Les Anges du péché* to such disconsolate meditations on the world as *The Devil Probably* and *L'Argent* Special attention is also given to psychosexual aspects of the films that are usually neglected Bresson has long needed a thoroughgoing treatment by a critic worthy to the task he gets it here From it emerges a provocative portrait of an extraordinary artist whose moral engagement and devotion to the craft of filmmaking are without equal The Gospel of John as Genre Mosaic Kasper Bro Larsen,2015-10-28 In recent decades New Testament scholarship has developed an increasing interest in how the Gospel of John interacts with literary conventions of genre and form in the ancient Jewish and Greco Roman context The present volume brings together leading scholars in the field in order to discuss the status quaestionis and to identify new exegetical frontiers In the Fourth Gospel genres and forms serve as vehicles of

ideological and theological meaning The contributions to this volume aim at demonstrating how awareness of ancient and modern genre theories and practices advances our understanding of the Fourth Gospel both in terms of the text as a whole gospel ancient biography drama romance etc and in terms of the various literary tiles that contribute to the Gospel s genre mosaic

**Rethinking Marxism** The Rethinking Marxism Editorial Collective,2023-05-31 First published in 2006 This issue highlights both the often undervalued practice of translation and the significance of rereading and rethinking classic Marxian texts with a symposium on Joseph Buttigieg s new edition of Antonio Gramsci s Prison Notebooks

**W.G. Sebald's Hybrid Poetics** Lynn L. Wolff,2014-04-02 This book offers a new critical perspective on the perpetual problem of literature s relationship to reality and in particular on the sustained tension between literature and historiography The scholarly and literary works of W G Sebald 1944 2001 serve as striking examples for this discussion for the way in which they demonstrate the emergence of a new hybrid discourse of literature as historiography This book critically reconsiders the claims and aims of historiography by re evaluating core questions of the literary discourse and by assessing the ethical imperative of literature in the 20th and 21st centuries Guided by an inherently interdisciplinary framework this book elucidates the interplay of epistemological aesthetic and ethical concerns that define Sebald s criticism and fiction Appropriate to the way in which Sebald s works challenge us to rethink the boundaries between discourses genres disciplines and media this work proceeds in a methodologically non dogmatic way drawing on hermeneutics semiotics narratology and discourse theory In addition to contextualizing Sebald within postwar literature in German the book is the first English language study to consider Sebald s uvre as a whole Of interest for Sebald experts and enthusiasts literary scholars and historians concerned with the problematic of representing the past
