Holy War Ian Campbell, 2022-05-01 In 1935 Fascist Italy invaded the sovereign state of Ethiopia a war of conquest that triggered a chain of events culminating in the Second World War In this stunning and highly original tale of two Churches historian Ian Campbell brings a whole new perspective to the story revealing that bishops of the Italian Catholic Church facilitated the invasion by sanctifying it as a crusade against the world's second oldest national Church Cardinals and archbishops rallied the support of Catholic Italy for Il Duce's invading armies by denouncing Ethiopian Christians as heretics and schismatics and announcing that the onslaught was an assignment from God Campbell marshals evidence from three decades of research to expose the martyrdom of thousands of clergy of the venerable Ethiopian Church the burning and looting of hundreds of Ethiopia's ancient monasteries and churches and the instigation and arming of a jihad against Ethiopian Christendom the likes of which had not been seen since the Middle Ages Finally Holy War traces how after Italy's surrender to the Allies the horrors of this pogrom were swept under the carpet of history and the leading culprits put on the road to sainthood *A Story in Stones* John Jeremy Hespeler-Boulton, J. city's various Christian communities are administered by three Patriarchs five Catholic patriarchal vicars four archbishops and two Protestant bishops From the end of the Crusader period onwards these communities have come under the rule of numerous political entities from the Ottoman Empire through to the British Mandatory Administration and the modern states of Jordan and Israel The complex interaction of religion and politics and the involvement of Christians in politics has been a constant theme in the religious culture of Jerusalem The essays collected here provide a comprehensive historical religious and political survey of the Christian communities of modern Jerusalem Individual essays deal with topics ranging from church state relations to women missionaries and various expressions of Eastern and Western Christian presence and taken as a whole offer a fascinating overview of Christianity in the Holy Land at the beginning of a new century
