Amistad The Story Of A Slave Ship:

Amistad: The Story of a Slave Ship Patricia C. McKissack, 2021-09-14 An amazing chapter in American history is now available in Step into Reading the premier leveled reader line In 1838 a slave ship named the Amistad took hundreds of kidnapped Africans on a long journey across the Atlantic But the brave captives would not give up their freedom taking over the ship so they could sail back to their homeland This History Reader is not to be missed Step 4 Readers use challenging vocabulary and short paragraphs to tell exciting stories For newly independent readers who read simple sentences with confidence

Amistad Pat McKissack, 2005 This book describes the historical account of the Amistad and the freeing of Africans who had been kidnapped in the 1830s

The Case of the Slave Ship Amistad Mary Cable, 2017-09-04 In August 1839 what appeared to be a listless pirate ship unidentified by any flag was spotted off the North Atlantic coast of the United States On board were thirty barely clad black men armed with cutlasses and two white men Spanish slave owners with an incredible story to tell A month earlier the Amistad had set sail from Havana with a valuable cargo of slaves and 40 000 worth of gold doubloons She was headed for the Cuban coastal town of Puerto Principe but in a matter of days the captain and the cook were dead and the ship was in the control of the slaves Thus began the Amistad affair which writes Mary Cable was to bedevil the diplomatic relations of the United States Spain and England for a generation intensify bitterness over the question of slavery and lead an ex president John Quincy Adams to go before the Supreme Court and castigate the administration in an eloquent plea for the slaves freedom In her fascinating and carefully researched account Cable takes us right to the heart of these complex matters dramatically replaying an incredible series of events that converged to form a uniquely exciting and challenging chapter in American history

The Amistad Rebellion Marcus Rediker, 2013-11-26 Vividly drawn this stunning book honors the achievement of the captive Africans who fought for and won their freedom The Philadelphia Tribune A unique account of the most successful slave rebellion in American history now updated with a new epilogue from the award winning author of The Slave Ship In this powerful and highly original account Marcus Rediker reclaims the Amistad rebellion for its true proponents the enslaved Africans who risked death to stake a claim for freedom Using newly discovered evidence and featuring vividly drawn portraits of the rebels their captors and their abolitionist allies Rediker reframes the story to show how a small group of courageous men fought and won an epic battle against Spanish and American slaveholders and their governments The successful Amistad rebellion changed the very nature of the struggle against slavery As a handful of self emancipated Africans steered their own course for freedom they opened a way for millions to follow This edition includes a new epilogue about the author s trip to Sierra Leona to search for Lomboko the slave trading factory where the Amistad Africans were incarcerated and other relics and connections to the Amistad rebellion especially living local memory of the uprising and the people who made it

Amistad Pat McKissack, 2005-12-29 A three time Coretta Scott King Award winning author recounts an amazing chapter in American history In 1838 the slave ship

Amistad took hundreds of Africans on a long journey across the Atlantic. The brave captives however would not give up their freedom. Full color Black Odyssey Mary Cable, 1977. In 1839 thirty black slaves being transported from Havana to Puerto Principe aboard the Amistad took control of the ship and attempted to return to Africa. Instead the whites sailed north until the ship was spotted and taken to Connecticut. When President Van Buren attempted to return the slaves to Cuba the abolitionists led by John Quincy Adams took the slaves case to the U S Supreme Court. The Amistad Slave Revolt and American Abolition Karen Zeinert, 1997. Traces the 1839 revolt of Africans aboard the slave ship Amistad their apprehension and long trial which ended in their acquittal by the Supreme Court. *The Middle Passage and the Revolt on the Amistad* Susan K. Baumann, 2013-07-15. The transport of Africans across the Middle Passage to be sold as slaves is a shameful and unsettling piece of history. The story of the revolt on the Amistad is truly an inspirational one and its presentation in the graphical format will attract reluctant readers. Includes a timeline and character key. Amistad Walter Dean Myers, 1998. Relates the events surrounding the 1839 uprising of Africans aboard the slave ship Amistad en route to America. **Mutiny on the Amistad** Howard Jones, 1997-11-20. This volume presents the first full scale treatment of the only instance in history where African blacks seized by slave dealers won their freedom and returned home. Jones describes how in 1839 Joseph Cinqu led a revolt on the Spanish slave ship the Amistad in the Caribbean. The seizure of the ship by an American naval vessel near Montauk Long Island the arrest of the Africans in Connecticut and the Spanish protest against the violation of their property rights created an international controversy. The Amistad affair united Lewis Tappan and other abolitionists who put the law of nature on trial in the United States by their refusal to accept a legal system that claimed to dispense justice while permitting artificial distinctions based on race or color. The mutiny resulted in a trial before the U S Supreme Court that pitted former President John Quincy Adams against the federal government. Jones vividly recaptures this compelling drama the most famous slavery case before Dred Scott that climaxed in the court's ruling to free the captives and allow them to return to Africa. **United States V. Amistad** Suzanne Freedman, 2000. A library of the most important United States Supreme Court cases. Examines the issues leading up to the case the people involved in the case and the present day effects of the Court's decision. **A History of the Amistad Captives** John Warner Barber, 2013-12-07. This is a reproduction of a book published before 1923. This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process. We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide.
