In Remembrance of Feelings Dexter G. Thompson, 2014-08-14 There s an evil that spread destruction to everyday people like you and I That malignant growth have pulled families apart and shredded their life s forever My book In Remembrance of Feelings is a seventy one thousand word non fiction monogram that touches on a child s demeanor and events as he watches his mother being torn to pieces by cancer The complexity the child has are weighted by the isolation and the aftermath of what is next And what to do The inner conflict that he is faced with offers an avant garde approach by humanizing the emotions that plague him In the book as he makes sense of his tragedy presented in regular print he from time to time reflects back and changes scenes in bold print to help get through his ordeal and reminiscence about how it all started Thus the scene changes in retrospect to further foster the chaotic mindset he is faced with As well as the emotional impact of how his nerves were singled out from the disconnection of his mind to the loneliness that repels his heart The day to day survival of dealing with his mother s pain and the divide of his own life in trying to appear normal on the outside proves to be too much for the child to absorb Therefore he keeps his emotions retained in his domain Only to be retouched and resurfaced when he becomes an adult The writings of his ordeal became therapy of sort to combat cancer and death s cohorts like depression fear and terror There were good days they shared like walking in the breeze or hiding in the leaves With a laughter that stretched their smiles until reality sat back in and corralled her pain as she echoed for help Then the internal fight goes on for both of them He wonders if his mother will get any better through the treatments she receives And she s hoping that the medication would relieve and ease her discomfort In Remembrance of Feelings is a story for all of us My book displays a co partnership with society s woes and the solidarity for the removal of pain that infiltrates when death follows cancer My chronicles are society s anecdote A hard pill to swallow when the infestation of cancer remains spilled to all sectors of our world

Sons of Glory Tyrone Walker, 2020-08-26 This book is for those sons and daughters of the Lord Jesus Christ who have been weeping between the porch and the altar crying out unto the Lord of glory There is something stirring inside of you ready to explode The fire inside of you is burning You feel like it's time for you to move now But it seems as if someone has pushed the pause button that's keeping you from your destiny If you feel like everything that used to work for you has dried up God has you in a strange place a place where you are hungry and full at the same time where all your spiritual senses are being exercised This book was written to let you know the time of your coming out is at hand Get ready Keep pressing keep praying keep seeking This is the price of becoming a Son of Glory We are living in what the Bible calls the beginning of sorrows All these are the beginning of sorrows Matthew 24:8 This book is designed to encourage you to stay planted by the rivers of water Psalm 1:3 for your season is at hand I'm not talking about the rapture I'm talking about the coming of the Lord Jesus Christ in the last days to glorify his Sons of Glory here on earth the manifestation of the Sons of God Jesus will return to reveal his glory It will manifest in the life of his sons and daughters

I Am The Thorn In Satan's Side! Anthony Ragan, 2019-01-07 I didn't know that I was supposed to be looking for Jesus Apparently the Son of God Almighty decided that it was time to introduce himself to a young boy at the tender age of twelve However his brain had not even completely developed In hindsight he thought God Almighty had set him up because a man of God named Dale Bishop came to his school offering summer camp and as he lived in the hood summer camp was just something what's the word demonically just kept out of reach He would only see images on TV or in the movies minibikes horses canoes and campfires because once he showed up excitedly to sign up to go to camp the white man had sprung Jesus on them as if it was some last minute precondition to go to summer camp However unknown to him some things are just too wonderful for mere men to understand God himself showed and told him in a dream in a moment of time all the ways that he could please him And it was more than the number of stars Even grown up hardened criminals run from God with even the slightest proposal of us being decent and upright and of course a child can't handle that spiritual reality But it was a perfect match made in heaven because the first moment that Tony heard the story of Jesus's life death and resurrection in hindsight after so long a time of associating Jesus the Son of God with Christmas toys he hadn't even read the Bible instantly his entire being was saturated infused with the knowledge that this Jesus loved him with a love that was so past this understanding a love that was totally complete Excitedly and armed with this incredible knowledge he set out to tell everyone he knew or saw of this great love that Jesus has for us But not understanding what he was truly up against no one wanted to hear it then A lot of the people don't want to hear it now But the only thing that's different now is that he doesn't give a damn what they want to hear But with an undeveloped brain he freaked out knowing that he'd never signed up for the moment that Satan had come with God and introduced himself a being he'd associated with Halloween and candy and in that moment everything changed A supernatural living fear had gripped his heart and of course he stopped talking about Jesus because people didn't want to hear about him anyway But the more he ran the more the powerful and up and very personal in your face supernatural events engulfed his entire being until he had even become afraid a lot of times to go to sleep However after each supernatural encounter unknown to him Jesus filled in the blanks for him just to save him and set him free While others stood around posturing looking all self dignified trying to feel or search for God in the holy Scriptures he ran But after each divine chastisement he quickly realized that what God Almighty wanted him to do far outweighed what he wanted to do Keep my commandments and live Prov 7:2
