
AFRIKAANS ESSAY ON MY BEST FRIEND

OPSTEL – MY BESTE VRIENDE

'n skouer om te huil, 'n oor om te buig, geld te leen, klere te leen, vrydagaand films, saamwees, ons privaat gesprekke, herstel ons harte, huil die trane, beplan ons toekoms, ons herinneringe saam, mag hulle nooit 'n einde, altyd saam vriende vir ewig.

Ek het baie vriende, maar daar is net twee wat my ware beste vriendinne is, Ashley en Deondre.

Ek dink Ashley my ware vriendin is want daar was 'n tyd wanneer ek haar nodig, 'n steunpilaar en sy was daar vir my. Sy luister altyd na my probleme en gee my raad. Ons is altyd daar vir mekaar deur dik en dun. Ashley is 'n baie vriendelik, hulpvol, gelukkig en pragtige sestionjarige meise. Sy is 'n baie goeie vriend vir my. Sy is soos my engel en kyk op vir my altyd.

Deondre is altyd 'n goeie vriendin. Sy is altyd sorgeloos, daar is altyd 'n glimlag op haar gesig. Sy is die 'joker' in ons groep. Sy altyd my opgehef wanneer ek af is. Deondre is 'n baie mooi-like, vriendelik, gawe, toegeneë sewentienjarige meisie. Sy maak altyd my dag, sy is die beste en ek is baie lief vir my prinses.

Ashley en Deondre is die meeste soetste en mooiste meisies in die wêreld. Hulle is 'n goeie invloed, 'my groot susters'.

Hierdie is my twee skoonheid vriende. Ek sal nie gelukkig sonder hulle wees nie. Hulle is my vriende vir lewe. Ons verhouding sal nooit gebreek word nie.

Afrikaans Essay Topics For Grade 10:

The Educational Pathways and Experiences of Black Students at Stellenbosch University Aslam Fataar, This book features incisive qualitative understandings of key dimensions of the socio educational pathways and experiences of black students at Stellenbosch University

Homeschooling High School Shirley Erwee, 2014-08-28 Prospective homeschoolers are parents looking for an alternative to the mainstream educational system for their offspring But homeschooling children at high school level strikes fear into even the most dedicated of homeschoolers They need information and answers to their questions And with the current educational and unemployment problems in South Africa young people need clear direction and guidance to help them achieve their goals In addition to exploring the popular ways to gaining a recognised matric certificate outside the formal school system Homeschooling High School also challenges readers to rethink their values particularly the value they place on certification and to consider some unconventional or alternative paths to success In a clearly presented format the book includes advice on legal matters identifying appropriate courses sourcing study material tips on entrepreneurship financing tertiary studies and the testimonies of successful homeshooled graduates Homeschooling High School is a comprehensive guide to plotting a path through high school and beyond

The Education Gazette of the Province of the Cape of Good Hope Cape of Good Hope (South Africa). Education Department, 1926 *Southern Africa* David J. Cranmer, Valerie A. Woolston, 1980

Language Alternation, Language Choice and Language Encounter in International Tertiary Education Hartmut Haberland, Dorte Lønsmann, Bent Preisler, 2013-06-26 Reflecting the increased use of English as lingua franca in today's university education this volume maps the interplay and competition between English and other tongues in a learning community that in practice is not only bilingual but multilingual The volume includes case studies from Japan Australia South Africa Germany Catalonia China Denmark and Sweden analysing a range of issues such as the conflict between the students native languages and English the reality of parallel teaching in English as well as in the local language and classrooms that are nominally English speaking but multilingual in practice The book assesses the factors common to successful bilingual learners and provides university administrators policy makers and teachers around the world with a much needed commentary on the challenges they face in increasingly multilingual surroundings characterized by a heterogeneous student population Patterns of language alternation and choice have become increasingly important to the development of an understanding of the internationalisation of higher education that is occurring world wide This volume draws on the extensive and varied literature related to the sociolinguistics of globalisation linguistic ethnography discourse analysis language teaching language and identity and language planning as the theoretical bases for the description of the nature of these emerging multilingual communities that are increasingly found in international education It uses observational data from eleven studies that take into account the macro societal meso university and micro participant levels of language interaction to explicate the range of language encounters highlighting both successful and

problematic interactions and their related language ideologies Although English is the common lingua franca the studies in the volume highlight the importance of the multilingual resources available to participants in higher educational institutions that are used to negotiate and solve their language problems The volume brings to our attention a range of important insights into language issues found in the internationalisation of higher education and provides a resource for those wishing to understand or do research on how language hybridity and multilingual communicative practices are evolving there

Richard B Baldauf Jr Professor The University of Queensland **Multilingual Universities in South Africa** Liesel Hibbert, Christa van der Walt, 2014-04-03 Focusing on the use of African languages in higher education this book showcases South African higher education practitioners attempts to promote a multilingual ethos in their classes It is a first time overview of multilingual teaching and learning strategies that have been tried and tested in a number of higher education institutions in South Africa Despite language in education policies that extol the virtues of multilingualism practice remains oriented towards English only learning and teaching In the multilingual contexts of local campuses this book shows how students and lecturers attempt to understand their multiple identities and use the available languages to create multilingual learning environments *African Languages in Classrooms and Academia: Intellectualisation and Empowerment through Formal Education* Xolisa Tshongolo, 2024-12-02 To date there have been few comprehensive books published which deal specifically with the role of African languages in academia and formal education Motinyane Mletshe and Tshongolo as editors have produced a book that fills this gap In this timely collection of 21 chapters written in African languages and English the contributors offer a critique of both language practice in the classroom as well as language planning policy creation and implementation challenges A timely and innovative contribution in the area of language in education teaching pedagogy as well as multilingualism *Hearings, Reports, Public Laws* United States. Congress. House. Committee on Education and Labor, 1967 The Education Gazette of the Province of the Cape of Good Hope Cape of Good Hope (South Africa).
