Eclipse Bay Jayne Ann Krentz, 2000-06-01

FIRST IN THE STUNNING TRILOGY *Eclipse Bay* has grown and flourished amongst the sharp cliffs and hidden coves of the rugged Oregon coast. But this small town is also filled with secrets as treacherous as the landscape and rivalries as fierce as an ocean storm. Their grandfathers hated each other. Their fathers hated each other. But they don't hate each other. Not at all. Hannah Harte remembers the long ago night on the beach that revealed Rafe as more than just that disreputable Madison boy. And Rafe remembers the heroic gesture that proved Hannah's fierce spirit was stronger than any feud and saved him from near certain imprisonment. Now reunited by a surprising inheritance after years of living their separate lives, Rafe and Hannah return to Eclipse Bay and the hostilities that still divide and bind their families. And they are discovering something that is at once delightful and deeply disturbing.

The Bride Wore White Amanda Quick, 2024-03-26

A psychic desperate to escape her destiny and a killer find her future in the coastal town of Burning Cove. In New York Times bestselling author Amanda Quick's latest novel, *Being Madame Ariadne*, Psychic Dream Consultant wasn't Prudence Ryland's ideal gig, but it paid well, which was reason enough to do the work until she realizes that her latest client intends to kill her. But Prudence, a master at reinvention, finds a new job and home as far away as possible and is finally able to relax, which turns out to be a big mistake. Letting her guard down means being kidnapped and drugged and waking up in a bloodstained wedding dress in the honeymoon suite next to a dead man. With the press outside the hotel waiting with their cameras and police sirens in the distance, it's obvious she's being framed for the man's murder. Prudence knows who is responsible, but will anyone believe her? It doesn't seem likely that rumored crime boss Luther Pell or his associate Jack Wingate believe her seemingly outrageous claims of being a target of a ruthless vendetta. In fact, Prudence is convinced that the mysterious Mr Wingate believes her to be a fraud at best and at worst a murderer. And Jack Wingate does seem to be someone intimately familiar with violence, if going by his scarred face and grim expression. So no one is more shocked than Prudence when Jack says he'll help her. Of course, his ideas for helping her involve using her as

the bait for a killer but Prudence feels oddly safe with Jack protecting her But who will protect Prudence from her growing fascination with this enigma of a man *The Night Island* Jayne Ann Krentz,2024-10-22 The disappearance of a mysterious informant leads two people desperate for answers to an island of deadly deception in this new novel in the Lost Night Files trilogy by New York Times bestselling author Jayne Ann Krentz Talia March Pallas Llewellyn and Amelia Rivers bonded by a night none of them can remember are dedicated to uncovering the mystery of what really happened to them months ago an experience that amplified innate psychic abilities in each of them The women suspect they were test subjects years earlier and that there are more people like them all they have to do is find the list of others who took that same test When Talia follows up on a lead from Phoebe a fan of the trio's podcast she discovers that the informant has vanished Talia isn't the only one looking for Phoebe however Luke Rand a hunted and haunted man who is chasing the same list that Talia is after also shows up at the meeting place It's clear he has his own agenda and they are instantly suspicious of each other But when a killer begins to stalk them they realize they have to join forces to find Phoebe and the list The rocky investigation leads Talia and Luke to a rustic remote retreat on Night Island in the Pacific Northwest where the Unplugged Experience promises to rejuvenate guests Upon their arrival Talia and Luke discover they are quite literally cut off from the outside world when none of their high tech devices work on the island It soon becomes clear that Phoebe is not the first person to disappear into the strange gardens that surround the Unplugged Experience retreat And then the first mysterious death occurs **It Takes a Psychic** Jayne Castle,2025-06-03 Two unlikely allies search for the secrets of their pasts while on the run within the Alien world of Harmony in the thrilling new novel by New York Times bestselling author Jayne Castle Leona Griffin is at the height of her career as a para archeologist thanks to a recent Underworld discovery Her high profile attracts the attention of an organization of elite secretive collectors They want her to authenticate the artifacts that aspiring members submit as evidence to join their group The ceremony takes place at a glittering reception where Leona is shocked to discover that one of the relics is a powerful Old World object known as Pandora's Box But she's not the only one interested in that artifact Oliver Rancourt a man with a unique talent they say you never see him coming is also there Leona knows she must not underestimate him Attempting to make a discreet exit she stumbles over the body of a waiter wearing the emblem of a dangerous cult Before she can alert authorities a police raid sends the reception into chaos To avoid being arrested Leona slips away with Oliver a risky decision that gets her fired Now forced to work together Leona and Oliver pursue an investigation that leads them to the town of Lost Creek where the locals are obsessed with a chilling legend involving a long dead cult leader and illicit paranormal experiments But Leona knows the real danger may be the irresistible attraction between herself and Oliver **When All the Girls Have Gone** Jayne Ann Krentz,2017-09-26 A thrilling novel of the deceptions we hide behind the passions we surrender to and the lengths we'll go to for the truth from the New York Times bestselling author of Untouchable When Charlotte Sawyer is unable to contact her stepsister Jocelyn to tell her that one of
