**Microsoft Teams in easy steps** Nick Vandome, 2021-04-22 Evolving digital communication and the way workers use it to interact with each other is a constant feature of the workplace. However, the Covid 19 pandemic has dramatically altered the way that millions of people around the world work, and this has led to a considerable rise in the number of people using remote working options such as collaborative software and video communication. Microsoft MS Teams has emerged as one of the most powerful and flexible tools for linking workers in an organization, whether they are in an office environment or working remotely. Teams can also be used in a school or higher education setting if students have to access classes remotely. Teams can be used to create dedicated groups of people, teams who can then interact with each other on specific subjects. This interaction can include text chats, video calls, document sharing, and even knowledge Wikis. MS Teams is a comprehensive work tool, and at first sight it can seem somewhat daunting. However, **Microsoft Teams in easy steps** is the perfect guide to understanding Teams and becoming a fully integrated team player. The book looks at all of areas of using Teams, including Obtaining Teams, Learning the Teams interface, Getting started with creating and joining teams, Expanding the functionality of Teams with the use of Channels, Using Chat to communicate with colleagues, Joining and scheduling meetings, Using video to communicate with individuals and groups, Sharing documents for a fully collaborative experience with Teams, Increasing the options within Teams through the use of apps, Expanding the knowledge base of your organization with customized Wikis. **Microsoft Teams in easy steps** is the book to help you keep up with the constantly evolving workplace and ensure that you are not left behind in any aspect of a team working environment. Table of Contents 1 The Workplace Revolution 2 Setting Up Teams 3 Getting Started with Teams 4 Creating Teams 5 Channels and Tabs 6 Text Chatting 7 Organizing Meetings 8 Video Meetings 9 Sharing Files 10 Adding Apps 11 Creating Wikis      **Workspace Made Easy** Kursty Groves, Neil Usher, 2024-07-17 Demystifying the entire workspace industry for the non expert and expert alike, this unique book sets out every step and consideration in how to lead a project to create a fantastic workspace. Entirely free of baffling jargon and industry speak, it's a refreshingly accessible, practical down to earth guide applicable to all types of workspace, new or renovated, and anywhere in the world. Created by two leading workspace practitioners with over half a century of combined multi sector international experience, this book maps the process from initial idea to finished product and beyond in a succinct logical and easy to follow question and answer style.
