Advantages Of Newspapers:

The Positive and Negative Sides of Using Newspapers as a Historical Source Hogir Pirdawood,2016-03-03

Scientific Essay from the year 2013 in the subject Communications Journalism Journalism Professions language English
abstract The purpose of this essay is to analyse advantages and disadvantages of using newspapers as historical sources This study includes the analysis of the quality of newspaper information the value of letters to editor the importance of newspaper photographs and the digitisation of newspaper Also this essay analyses the bad impact of censorship on newspaper information and the negative effect of commercial force on news products In the past few decades using newspapers in historical research has been a debatable topic among scholars Some historians believe that the press has a great value to be used as a historical source However others think that newspapers are unreliable sources to be used in historical research With the development of technology and its impact on human s daily life newspapers as a periodical publication including regular information and comment on foreign and domestic political events containing a substantial proportion of their content and appearing at least once a week have changed in contrast to other types of culture products such as books documents letters novels and others that have been used by historian as historical sources

Newspapers: A Lost Cause?

P. Hendriks,2012-12-06 Newspapers A Lost Cause describes the recent history of newspaper firms in the United States and The Netherlands and attempts to assess the chances of survival of the printed newspaper The changing competitive media landscape and the challenges of today s newspaper organisations including the impact of the Internet on the news industry are described and analysed The author argues that although the printed newspaper will not be replaced overnight by new competing media the traditional business model of newspapers is being eroded slowly but steadily A healthy newspaper industry and prospering newspaper firms can only exist if management including journalists and marketeers focus their attention on changing the newspaper organisation and capitalise more intensively on its core assets and skills
