**Advocacy from A to Z** Robert Blackburn, Barbara R. Blackburn, Ronald Williamson, 2017-11-14 In today's educational climate advocacy is a critical part of any teacher or leader's job. *Advocacy From A to Z* unpacks the difficult task of understanding the movers and shakers including teachers, parents, the union, legislatures, and policy makers that impact your school, affect your students, and shape policy. Organized into 26 chapters, one for each letter of the alphabet, this book provides school-based examples and specific strategies needed to be a successful advocate for education. Advocacy begins at the local level and the newest book in the A to Z series helps educational leaders navigate, plan, and shape their message to the right people at the right time. Now you can find your voice and become an active advocate to help your students succeed.

The Handbook provides an A to Z explanation of the claims process from gathering records and speaking with accredited individuals to filing a claim for benefits and appealing improper denials. It explains the hierarchy of veterans law, how to understand and apply decisions from the U.S. Court of Appeals for Veterans Claims, the significance of the M21-1 Manual, and more. *VA Handbook* also breaks down the modernized appeals system that went into effect in February 2019 with a detailed look at each option that is now available to veterans in the updated appeals process. It should be required reading for all veterans and advocates.
