

My Role Model

A role model is someone who inspires and motivates us to become better individuals, and for me, that person is my mother. She is not only a loving and supportive figure in my life but also a strong, determined woman who has faced many challenges with grace and perseverance. Her ability to balance work, family, and personal goals has always amazed me, and I admire her unwavering dedication to our family. She has not only shown me what it means to care for others but also how important it is to not lose yourself while doing so.

One of the most important lessons I have learned from my mother is the value of hard work and determination. She has taught me that nothing truly worthwhile comes without effort, and she constantly encourages me to stay focused on my goals, no matter how difficult the path may be. Her determination to succeed, even when there are obstacles in the way, has taught me that every setback is an opportunity to grow and become a stronger person.

In addition to her strong work ethic, my mother is one of the kindest people I know. She is always willing to lend a helping hand to others, whether it's through volunteering in our community or simply offering support to a friend in need. Her selflessness inspires me every day to do more for others and make a positive difference in the world. She not only has a big heart for her family but also for the people around her.

My mother is my role model because of her strength, perseverance, and her empathy. She has shown me what it means to be responsible and caring, and I try every day to live up to the example she has set. I am fortunate to have someone like her to guide, inspire, and teach me to stay strong, no matter what life throws my way.

My Rolmodel

'n Rolmodel is iemand wat ons inspireer en motiveer om beter mense te word, en vir my is daardie persoon my ma. Sy is nie net 'n liefdevolle en ondersteunende figuur in my lewe nie, maar ook 'n sterk, vasberade vrou wat baie uitdagings met grasia en uithouvermoë in die gesig gestaar het. Haar vermoë om werk, familie en persoonlike doelwitte te balanseer, het my altyd verstom, en ek bewonder haar standvastige toewyding aan ons gesin. Sy het my nie net gewys wat dit beteken om vir ander om te gee nie, maar ook hoe belangrik dit is om jouself nie te verloor terwyl jy dit doen nie.

Een van die belangrikste lesse wat ek by my ma geleer het, is die waarde van harde werk en vasberadenheid. Sy het my geleer dat niks wat werklik die moeite werd is, sonder moeite kom nie, en sy moedig my voortdurend aan om op my doelwitte gefokus te bly, maak nie saak hoe moeilik die pad mag wees nie. Haar deursettingsvermoë om te slaag, al is daar struikelblokke in die pad, het my geleer dat elke terugslae 'n geleentheid is om te groei en 'n sterker persoon te word.

Benewens haar sterk werksetiek, is my ma een van die vriendelikste mense wat ek ken. Sy is altyd bereid om 'n helpende hand aan ander te gee, of dit nou is deur in ons gemeenskap vrywilligerswerk te doen of bloot ondersteuning aan 'n vriend in nood te bied. Haar onselfsugtigheid inspireer my elke dag om meer vir ander te doen en 'n positiewe verskil in die wêreld te maak. Sy het nie net 'n groot hart vir haar familie nie, maar ook vir die mense rondom haar.

My ma is my rolmodel weens haar krag, deursettingsvermoë en haar empatie. Sy het my gewys wat dit beteken om verantwoordelik en sorgsaam te wees, en ek probeer elke dag om na die voorbeeld wat sy gestel het, te leef. Ek is gelukkig om iemand soos sy te hê wat my rig, inspireer, en leer om sterk te bly, ongeag wat die lewe in my rigting gooi.

Gilman, Milton Shain, 1999 Traversing far flung Jewish communities in South Africa Australia Texas Brazil China New Zealand Quebec and elsewhere this wide ranging collection explores the notion of frontier in the Jewish experience as a historical geographical reality and a conceptual framework As a compelling alternative to viewing the periphery only as a locus of dispossession and exile from the homeland this work imagines a new Jewish history written as the history of the Jews at the frontier In this new history governed by the dynamics of change confrontation and accommodation marginalized experiences are brought to the center and all participants are given voice By articulating the tension between the center periphery model and the frontier model Jewries at the Frontier shows how the productive confrontation between and among cultures and peoples generates a new multivocal account of Jewish history **Index to Black Periodicals 1995** G K HALL, G. Studies Review , 2005 Literary Translation and Cultural Mediators in 'Peripheral' Cultures Diana Roig-Sanz, Reine Meylaerts, 2018-07-20 This book sets the grounds for a new approach exploring cultural mediators as key figures in literary and cultural history It proposes an innovative conceptual and methodological understanding of the figure of the cultural mediator defined as a cultural actor active across linguistic cultural and geographical borders occupying strategic positions within large networks and being the carrier of cultural transfer Many studies on translation and cultural mediation privileged the major metropolis of Paris London and New York as centres of cultural production and translation However other cities and megacities that are not global centres of culture also feature vibrant translation scenes This book abandons the focus on innovative centres and imitative peripheries and follows processes of cultural exchange as they develop Thus it analyses the role of cultural mediators as customs officers or smugglers or both in different proportions in so called peripheral cultures and offers insights into an under analysed body of actors and institutions promoting intercultural transfer in often multilingual and less studied venues such as Trieste Tel Aviv Buenos Aires Lima Lahore or Cape Town *Research in*
