Dear _____

The "Walk to Emmaus" is a weekend of spiritual renewal with many beautiful gifts and surprises. One of the surprises is the mail that people attending receive from their loved ones. _____ is going to attend a "Walk to Emmaus" on _____.

As their sponsor, I am responsible for contacting family and close friends and asking them to send a note or letter to _____ so that they will receive it during this special weekend. Since it will be a total surprise, I sometimes have to do a little detective work in order to get names and addresses of people from whom I need help. Perhaps you'd like to pass this along to someone that you know _____ would like to hear from.

This letter is an opportunity for you to express your appreciation of _____ and what your relationship has meant and means today. You might want to recall some humorous event or some happening that has been special to the two of you. This is a letter of love and **WILL BE READ ONLY BY THE PERSON TO WHOM YOU WRITE.**

Would you help make _____ "Walk to Emmaus" special by doing the following:

1. Write a letter or short note to and sign it.
2. Put it into an envelope and seal it.
3. Write _____'s name (but not yours) on the envelope.
4. Put the envelope in a larger envelope and mail it to me prior to _____ so I can get it to the proper place on time.

This should be a complete surprise to _____, so please help make it special by keeping "mum" until it is all over.

I hope you'll help me be getting a letter to me. It will be greatly appreciated. My address is: _____

Thank you,

The Manichaean Church in Kellis Håkon Fiane Teigen, 2021-06-08 The Manichaean Church in Kellis presents an in depth study of social organisation within the religious movement known as Manichaeism in Roman Egypt In particular it employs papyri from Kellis Ismant el Kharab a village in the Dakhleh Oasis to explore the socio religious world of lay Manichaeans in the fourth century CE Manichaeism has often been perceived as an elitist esoteric religion Challenging this view Teigen draws on social network theory and cultural sociology and engages with the study of lived ancient religion in order to apprehend how lay people in Kellis appropriated Manichaean identity and practice in their everyday lives This perspective he argues not only provides a better understanding of Manichaeism it also has wider implications for how we understand late antique religion as a social phenomenon

Being 'in Christ' in the Letters of Paul Teresa Morgan, 2020-11-05 In this study Teresa Morgan offers a radically new interpretation of in Christ and related expressions in the undisputed letters of Paul Starting from a reassessment of Deissmann's Die neutestamentliche Formel in Christo Jesu she argues that Deissmann's philology is flawed the Schweitzerian concept of participation in Christ which is indebted to it is problematic and many contemporary accounts of participation are better understood in other terms Through close readings of each letter Teresa Morgan shows how Paul uses en Christo language instrumentally to speak of what God has done through Christ by Christ's death and encheiristically to speak of the life the faithful now live in Christ's hands in Christ's power under his authority under his protection and in his care This creative use of en Christo language forms part of and connects Paul's soteriology eschatology and Christology shaping his narrative of God's intervention in the world the

relationship between God Christ and the faithful the lordship and work of Christ between the resurrection and the parousia and God's ultimate triumph This narrative is closely connected with Paul's ecclesiology and ethics where life in Christ's hands is envisaged as the this worldly dimension of the new creation an aspect of eternal life already active in the present time In Christ's hands the faithful not least Paul himself live a new life in communities with a distinctive structure and dynamic In Christ's hands they hope to remain in right standing with God and serve God until Christ's return
