In the process they have created a gripping and immediate record of oppression Powerful and incontrovertible Our Harsh Logic is a supremely significant contribution to one of the world s most vexed conflicts **Fall from Grace** Michael Short,2010-04-30 He Was A Good Marine So Why Was He Discharged for Misconduct Author Michael Short tells the Story of A Marine who Endured Torture as a POW during the Vietnam War and the Pain of Being Discharged for Misconduct Years Later Paw Paw WV Release Date TBD How did it all end up the way it did Albert proved to be a good Marine bearing the agony and torture as a Prisoner of War POW but why was he given a general discharge for misconduct Author Michael Short tells the true gripping and harrowing events that happened in Fall from Grace his new book released through Xlibris Albert was a United States Marine As a gunnery sergeant Albert s moral compass had always been duty honor country In 1968 he was in the TET Offensive in Hue City Republic of South Vietnam There were several NVA dead bodies lying near and he was ready to fire his M 16 at any North Vietnamese soldiers running past him But then he felt the barrel of an AK 47 assault rifle touch the back of his head Unadulterated fear rushed through him and before he could look to see who had pointed the rifle at him he felt a crushing blow to the side of his head Consciousness left him When he regained his senses he had been captured by North Vietnamese soldiers Torture began as the enemy attempted to force information from him His cellmate was Lance Corporal Mack who also received the same brutal physical torment Through it all they never gave information to their torturer They suffered much almost to the point of death He was afflicted but never lost hope He lived by the Marine Code the Core Values But after days of being a tortured POW he escaped returned to the states to learn that he had been listed as MIA He would spend more than eighteen years as a Marine and his fall from grace would be unexpected traumatic and extremely difficult to bear Readers will find out what really happened as they leaf through the pages of Fall from Grace For more information on this book log on to [www Xlibris com](http://www.Xlibris.com) *Violent Agony* Jack L. Carlos Lacerda, Brazilian Crusader: Volume II John W. F. Dulles, 2010-08-26 From reviews of Volume I Brazilian Crusader is no doubt the best biography yet produced on Lacerda and the second volume is certainly worth waiting for Luso Brazilian Review Journalist and spectacularly successful governor Carlos Lacerda was Brazil's foremost orator in the 20th century and its most controversial politician He might have become president in the 1960s had not the military taken over In the first volume John F W Dulles paints a portrait of a rebellious youth who had the willfulness of his prominent father and who crusaded for Communism before becoming its most outspoken foe Recalling Lacerda's rallying cry Brazil must be shaken up Dulles traces the career of the journalist whose unsparing attacks on the men in power led authorities to imprison him and employ thugs who pummeled him physically Lacerda's spirited oratory helped him become Brazil's most popular congressman but it scared the rulers of Brazil who prohibited the broadcast of his speeches after he returned from exile in 1956 Their effort to deprive him of his mandate stirred the entire nation and culminated in one of the most dramatic sessions ever held in the Chamber of Deputies In the second and final volume Dulles explores the political and private life of Lacerda from 1960 when he became governor of Brazil's Guanabara state until his death in 1977 Dulles focuses particularly on the years 1960 to 1968 in which Lacerda played a central role in some of the most drastic political changes that Brazil has experienced in this century Lacerda's story ranges from the headlines constantly generated by his political attacks and journalistic sensationalism to private moments of personal tragedy In telling his story Dulles draws on hundreds of interviews

as well as extensive research in press archives Lacerda s public papers and the private collections of Lacerda s family and associates This material paints a compelling portrait of an honest administrator who alienated top figures in politics the press and the military
