The Parts Unlimited 2014 Street catalog is more than just a book. It is designed to help you and your customers get the most out of your passion for powersports. It showcases the new exciting in demand products as well as highlighting trusted favorites. The well organized catalog sections make it easy to find the items you want. And every part is supported with the latest fitment information and technical updates available. Looking for tires? See the Drag Specialties Parts Unlimited Tire catalog. It has tires, tire accessories and tire wheel service tools from all the top brands. And for riding gear or casual wear, see the Drag Specialties Parts Unlimited Helmet Apparel catalog. Combine all three catalogs for the most complete powersports resource of 2014.

Sportbike Performance Handbook Kevin Cameron, To appoint yourself project leader on your own bike is exciting, says Cycle World columnist and performance guru Kevin Cameron, but then you need a plan that you can actually carry through. For a decade, Cameron's bestselling *Sportbike Performance Handbook* has been helping readers and riders make those plans and put them into motion, building better, faster, more powerful bikes. This new edition does everything the first did and more, bringing bikers up to date on the dramatic changes that have swept sportbike technology in the past ten years. Cameron goes deep inside the world of performance, offering usable insights into how systems work as well as how modifications and aftermarket trickery translate into more power and better handling on the street or at the track. Component by component, he describes the secrets of speed in minute detail, all with added color photographs and new diagrams. This edition covers changes to fuel management, suspension, tire technology, brake systems and more. It is the essential tool for anyone looking to coax maximum performance from a sportbike.
