Research Handbook on International Environmental Law Fitzmaurice, Malgosia,Brus, Marcel,Merkouris, Panos,Rydberg, Agnes,2021-11-12 This thoroughly updated and revised second edition of this foundational Handbook combines practical and theoretical analyses to cover a wide array of cutting edge issues in international environmental law IEL It provides a comprehensive view of the complexity of IEL both as a field in its own right and as part of the wider system of international law **Criminal Justice** ,2004 *Court Security* Tony L. Jones,2003 In recent years there has been a sharp rise in acts of violence in the courts These acts range from minor disturbances and physical assaults to murder and mass destruction The potential exists for violence to occur in any court system regardless of location Unfortunately many courts at all levels of the judicial system have been slow or even reluctant to implement adequate security measures This book is designed to prove the folly in such denial It provides hard statistics and observations that highlight this unique visceral security environment The text is specifically designed to help those charged with developing and implementing security measures to reevaluate current methods for safeguarding the judicial process Presented in four sections the first discusses perpetrators planning an attack and reviews types of perpetrators target selection tactics operations styles the mechanics of violent attacks and thwarting attacks Section two discusses in much detail a multitude of integrated security systems now available for court facilities The third section presents effective response mechanics for courthouse violence and the final section reviews tactical considerations for training containment and responding to explosive devices The text serves as a substantial resource in providing the most current state of the art information on security operations and technologies in a very clear but in depth format The ultimate goal of this book is to emphasize that court security in today s world must be constantly reexamined revamped and upgraded to protect human and physical assets This unique and comprehensive text will be invaluable to courthouse administrators security professionals law enforcement personnel judges lawyers and college level students of security **Environmental Protection and Transitions from Conflict to Peace** Carsten Stahn,Jennifer S. Easterday,Jens Iverson,2017 This book examines the protection of the environment in post conflict societies with regard both to the maintenance of natural ecosystems and to the function of environmental protection in the peace building process addressing the strengths and weaknesses of different bodies of law **Tocqueville's Virus** , The Complete Guide to Public Safety Cycling International Police Mountain Bike Association,2007 The use of bicycles by police EMS and security

personnel continues to grow along with increased awareness of the benefits of an extremely mobile team of first responders While the reasons for implementing a bicycle unit may vary the goal of each agency is the same to provide assistance to those who need it as quickly safely and effectively as possible In the past officers and agencies seeking to get a public safety bike unit rolling had to look far and wide to assemble the necessary information The Complete Guide to Public Safety Cycling is the single comprehensive source of in depth information on starting a bike unit or enhancing an established bike unit with tactical and technical tips on everything from basic equipment needs to detailed insights on policy maintenance training legal issues and much more *Weapons of War: Environmental Impact* ,2013-08-15

The Indian Air Force from a humble beginning in 1932 with 4 Wapiti aircraft six Indian officers and 22 hawai sepoys have traversed a long journey of eighty one years and crossed noteworthy milestones to become the fourth largest air force in the world While facing several limitations challenges IAF have met all the national defence requirements and made several strategic contributions With growing economic interests and national aspirations expanding interests well beyond our territorial boundaries and prevailing internal security challenges India s national defence requirements are also increasing The first Gulf War was a monumental turning point in the war time employment of aerospace power Ever since significance of aerospace power in war crisis and peace time has been gaining ascendancy Kosovo and Libya are the two pertinent examples of the allies virtually relying on aerospace power without committing any soldiers on the ground Scrutiny of the emerging global and national trends suggests that employment of the aerospace assets as well as nation s expectation from the IAF will continue to rise Alongside there is an unplanned fall in flying platforms weapon systems and pilot strength of the IAF This study is an attempt to analyse the history of the IAF in war as well as other than war operations to appreciate the emerging trends in geopolitics aerospace technology and doctrine and to identify the likely challenges IAF would be facing in the next two decades and beyond Road map for transformation of the national security framework indigenous aerospace industry and the IAF has also been suggested
