ARTIST, THERAPIST AND TEACHER: Selected Writings by Bruce L. Moon Bruce L. Moon, Chris Belkofer, 2014-04-01

Artist Therapist and Teacher is a compilation of writings taken from the author's 40 years of experience. The book is organized chronologically; earlier works are presented first, and the most recent last. Chapters include writings from particular years accompanied with commentaries by Chris Belkofer Ph D that highlight their relevance to contemporary art therapy practices. Bruce L. Moon uses music performance art poetry sports activities visual art forms and other task oriented modalities to cultivate relationships with clients. His vision of art therapy work is intimately connected to creativity artistic self expression and exploration of meaning. Based on the author's art therapy practice his overwhelming sense is that art therapy is continually being reshaped and transformed. This sense of ongoing re creation is connected to the foundation of art's healing power which resides in the ability of art to constantly shift and find new forms of expression. Unique features include social applications of the arts art based group therapy art therapy education as performance metaphor artfully constructed narratives and case vignettes. Further enhanced with 12 illustrations to completely clarify the vignettes discussed, this book is a call to art therapists to embrace the artistic dimensions of professional identity and use creativity when presenting ideas about the discipline of art therapy. This book will be an excellent resource for art therapists art lovers artists art educators and other mental health professionals **English Studies in Indian Universities** Ravindra Baburao Tasildar, 2019-01-22 Right from its formal introduction in India in 1835 through Thomas B Macaulay's Minute English has been intrinsically linked with the employment prospects of Indians. During their regime the British promoted English education to fulfil the requirement of English knowing Indians for administrative purposes. Owing to globalization the last few years have witnessed the opening up of thousands of lucrative job opportunities for graduates proficient in English. English

has gained importance in India as the language of opportunities In colonial India English education was a passport to government jobs while in the twenty first century proficiency in English is essential for private sector jobs This book examines the development of curricula in English in Indian universities vis a vis the needs of second language learners studying in Special English programmes of Bachelor of Arts BA It also reflects on how globalization has strengthened the connection between English and employment
