Surprise Attack Larry Hancock, 2016-09-13 Surprise Attack explores sixty plus years of military and terror threats against the United States It examines the intelligence tools and practices that provided warnings of those attacks and evaluates the United States responses both in preparedness and most importantly the effectiveness of our military and national command authority Contrary to common claims the historical record now shows that warnings often very solid warnings have preceded almost all such attacks both domestic and international Intelligence practices developed early in the Cold War along with intelligence collection techniques have consistently produced accurate warnings for our national security decision makers Surprise Attack traces the evolution and application of those practices and explores why such warnings have often failed to either interdict or intercept actual attacks Going beyond warnings Surprise Attack explores the real world performance of the nation's military and civilian command and control history exposing disconnects in the chain of command failures of command and control and fundamental performance issues with national command authority America has faced an ongoing series of threats from the attacks on Hawaii and the Philippines in 1941 through the crises and confrontations of the Cold War global attacks on American personnel and facilities to the contemporary violence of jihadi terrorism With a detailed study of those threats the attacks related to them and America's response a picture of what works and what doesn't emerges The attacks have been tragic and we see the defensive preparations and response often ineffective Yet lessons can be learned from the experience Surprise Attack represents a comprehensive effort to identify and document those lessons

Stronger George Everly Jr., Dr. Douglas Strouse, Dr. Dennis K. McCormack, 2015-08-05 Drawing on the unique perspective of a standout team of authors this book explores the science behind resilience and explains how you can develop this vital trait for yourself Resilient people have learned to bounce back from setbacks and do not hesitate to meet adversity head on While others breathe huge sighs of relief when they get to avoid a pressure filled moment those strong in resilience live for moments like that and always rise to the occasion Don't think you have what it takes to excel in those moments Do you

believe that some naturally exude that type of inner strength and some such as yourself just weren't built that way Recent studies have shown that the resilience we see so often in first responders military and others is something that anyone can build within themselves Stronger shares the five factors that combine to unlock deep reserves of personal power Active optimism believe that you can change things for the better Decisive action you can't succeed if you don't take the leap Moral compass face any challenge with clear guiding principles Relentless tenacity try try again Interpersonal support gain strength from those around you Today's demanding world calls for a special kind of strength That strength is within you already

Understanding Libya Since Gaddafi Ulf Laessing, 2020-10-15 Why has Libya fallen apart since 2011 The world has largely given up trying to understand how the revolution that toppled Muammar Gaddafi has left the country a failed state and a major security headache for Europe Gaddafi's police state has been replaced by yet another dictatorship amidst a complex conflict of myriad armed groups Islamists tribes towns and secularists What happened One of few foreign journalists to have lived in post revolution Tripoli Ulf Laessing has unique insight into the violent nature of post Gaddafi politics Confronting threats from media hostile militias and jihadi kidnappings in a world where diplomats retreat to their compounds and guns are drawn at government press conferences Laessing has kept his ear to the ground and won the trust of many key players *Understanding Libya Since Gaddafi* is an original blend of personal anecdote and nuanced Libyan history It offers a much needed diagnosis of why war has erupted over a desert nation of just 6 million and of how the country blessed with Africa's greatest energy reserves has been reduced to state collapse

Islamophobia and Anti-Muslim Sentiment Peter Gottschalk, Gabriel Greenberg, 2018-07-19 In the minds of many Americans Islam is synonymous with the Middle East Muslim men with violence and Muslim women with oppression A clash of civilizations appears to be increasingly manifest and the war on terror seems a struggle against Islam These are all symptoms of Islamophobia Meanwhile the current surge in nativist bias reveals the racism of anti Muslim sentiment This book explores these anxieties through political cartoons and film media with immediate and important impact After providing a background on Islamic traditions and their history with America it graphically shows how political cartoons and films reveal Americans casual demeaning and demonizing of Muslims and Islam a phenomenon common among both liberals and conservatives *Islamophobia and Anti-Muslim Sentiment* offers both fascinating insights into our culture's ways of picturing the enemy as Muslim and ways of moving beyond antagonism

The Greatest Navy SEAL Stories Ever Told Laurence J. Yadon, 2018-09-01 *The Greatest Navy SEAL Stories Ever Told* is the first book to place side by side extraordinary stories of SEALs who put their lives on the line and then go out and do it again the next day They illustrate the SEAL maxim The person who will not be defeated cannot be defeated SEALs in action men of courage and ingenuity from the rice paddies and hills of Vietnam to the plains and mountains of Afghanistan Iraq and Pakistan appear in these pages These stories cover the most significant overt and covert operations conducted since the U S Navy established Sea Land and Air Teams SEALs established in January 1962 The one common denominator in these

chapters is the courage and ingenuity of those who proudly call themselves Navy SEALs Sometimes SEALs and other participants in these stories recall differing versions of the same events as recounted here for the reader to make his own judgments So far as I know no previously classified or sensitive information is revealed in these pages Combating Terrorism in the 21st Century Joseph R. Rudolph Jr., William J. Lahneman, 2022-09-27 This combination A Z encyclopedia and primary document collection provides an authoritative and enlightening overview of U S anti and counterterrorism politics policies attitudes and actions related to both foreign and domestic threats with a special emphasis on post 9 11 events This book provides a compelling overview of U S laws policies programs and actions in the realms of anti and counterterrorism as well as comprehensive coverage of the various domestic and foreign terrorist organizations threatening America including their leaders ideologies and practices These entries are supplemented with a carefully selected collection of primary sources that track the evolution of U S anti and counterterrorism policies and political debate These documents will not only illuminate major events and turning points in America s fight against terror both foreign and homegrown but also help readers understand debates about the effectiveness morality and constitutionality of controversial policies that have either been implemented or proposed from waterboarding to targeted assassination to indefinite incarceration at Guant namo Bay In addition this resource shows how political controversies over anti and counterterrorism strategies are spilling over into other areas of American life from debates about privacy rights government surveillance and anti Muslim actions and beliefs to arguments about whether U S firearms policies are a boon to terrorists *Indestructible Armor* Wayne Hunt, 2015-09-30 Wayne Hunt vividly describes the deadly encounters he and other experienced as private security contractors in South central Asia and the Middle East These life altering events ultimately led to the transformation of a non practicing believer to a true Christian warrior and follower of Christ These security contractors firmly believed they were warriors warriors for their country warriors for each other and warriors for God This is the message the text delivers *The Secret Gate* Mitchell Zuckoff, 2023-04-25 The incredible true story of a breathtaking rescue in the frenzied final hours of the U S evacuation of Afghanistan and how a brave Afghan mother and a compassionate American officer engineered a daring escape from the 1 New York Times bestselling author of 13 Hours Reads like a thriller The Secret Gate is a fast paced escape narrative but it is also a morally complex interrogation The Washington Post Best Books of the Year When the U S began its withdrawal from Afghanistan and the Afghan Army instantly collapsed Homeira Qaderi was marked for death at the hands of the Taliban A celebrated author academic and champion for women s liberation Homeira had achieved celebrity in her home country by winning custody of her son in a contentious divorce a rarity in Afghanistan s patriarchal society As evacuation planes departed above Homeira was caught in the turmoil at the Kabul Airport trying and failing to secure escape for her and her eight year old son Siawash along with her parents and the rest of their family Meanwhile a young American diplomat named Sam Aronson was enjoying a brief vacation between assignments when chaos descended upon Afghanistan Sam immediately

volunteered to join the skeleton team of remaining officials at Kabul Airport frantically racing to help rescue the more than 100 000 stranded Americans and their Afghan helpers When Sam learned that the CIA had established a secret entrance into the airport two miles away from the desperate crowds crushing toward the gates he started bringing families directly through personally rescuing as many as fifty two people in a single day On the last day of the evacuation Sam was contacted by Homeira s literary agent who persuaded him to help her escape He needed to risk his life to get them through the gate in the final hours before it closed forever He borrowed night vision goggles and enlisted a Dari speaking colleague and two heavily armed security contract shooters He contacted Homeira with a burner phone and they used a flashlight code signal borrowed from boyhood summer camp For her part Homeira broke Sam s rules and withstood his profanities Together they braved gunfire by Afghan Army soldiers anxious about the restive crowds outside the airport Ultimately to enter the airport Homeira and Siawash would have to leave behind their family and everything they had ever known The Secret Gate tells the thrilling emotional tale of a young man s courage and a mother and son s skin of the teeth escape from a homeland that is no longer their own

The Benghazi Attack J.D. Rockefeller,2016-01-06 If you have decided to read this book then you probably have heard about the Benghazi attack or you at least wanted to learn something about that incident It took place way back in 2012 when the Islamic militant attacked the diplomatic compound of America in Benghazi and killed many people including J Christopher Stevens who was the U S ambassador at that time not to mention those who were injured as well The said attack was then called the Battle of Benghazi as a second assault happened in a different compound Due to that incident United States increased security especially in the military as well as in diplomatic facilities worldwide Aside from that they also put effort in investigating it and discovering the root cause as well as the persons behind it Although the reports initially stated that the attack was a spontaneous one it was later determined as a planned one based on what the suspect named Ahmed Abu Khattala stated The Benghazi attack has also been made into several movies showing the different sides of the story and the story of different people who witnessed the said incident Some posted the thoughts that they have in mind while some decided to stick with the news Whatever it is there is no doubt that the public is focusing attention on this incident once again Although the incident happened way back in 2012 and although some people have covered it up it has been gaining the interest of the public again lately In fact some of the truths behind it are slowly showing up In case you wanted to know more about it then continue on reading the book

America Kenneth Brock,2024-11-02 For all veterans past and present and their families who also serve And for those who still love their country Thank you **Last Stands from the Alamo to Benghazi** Frank Wetta,Martin Novelli,2016-12-08 Last Stands from the Alamo to Benghazi examines how filmmakers teach Americans about the country s military past Examining twenty three representative war films and locating them in their cultural and military landscape the authors argue that Hollywood s view of American military history has evolved in two phases The first phase extending from the very beginnings of filmmaking to the Korean War

projected an essential patriotic triumphalism The second phase from the Korean and Vietnam Wars to the present reflects a retreat from consensus and reflexive patriotism In describing these phases the authors address recurring themes such as the experience of war and combat the image of the American war hero race gender national myths and more With helpful film commentaries that extend the discussion through popular movie narratives this book is essential for anyone interested in American military and film history

Strategic Failure Mark Moyer, 2015-06-23 In this timely and fascinating account of US military power in the era of Barack Obama a renowned historian with more than a decade inside the US Department of Defense reveals the true nature of the president's political legacy as his two terms in office draw to a close In stunning detail Mark Moyer illustrates how the mounting global catastrophes of Obama's second term are the direct result of the president's first term decisions to shrink US defense and replace large overseas military commitments with light footprints The rise of ISIS The Benghazi attack and murder of a US ambassador The growing threats of Russia China and Iran Moyer reveals how these and other tragic occurrences are the consequences of Obama's Withdrawal of US military in Iraq Rapid drawdown in Afghanistan Hands off policy with Syria Cuts to defense spending Reliance on drone strikes in Pakistan Yemen and Somalia Failure to deliver on his substitutes for military power Political self interest International image as a weak and passive leader Most disturbing according to Moyer's penetrating analysis is the clear message that Obama's military drawdown places all Americans at risk with conditions primed for future cataclysms at home and abroad Drawing upon the lessons of Obama's strategic failures Moyer identifies methods for recovering and strengthening US national security in the years and the administrations to come

Trust Betrayed Scott Taylor, 2015-02-23 Ex Navy SEAL sniper Scott Taylor served his country for eight years Taylor finally came home after he was injured during Operation Iraqi Freedom Years later he became outraged when he discovered that the Obama administration was leaking sensitive intelligence information for political gain Now Scott Taylor is speaking out Having served as a sniper in the same region of Iraq as American Sniper author Chris Kyle Taylor knows first hand how high the stakes are From the bungling of Benghazi to the rise of ISIS the White House has betrayed the trust of American forces It's time President Obama and his administration were finally held accountable
