

## INTRODUCTION

As the owner of a new Harley-Davidson, you will enjoy a thrilling new experience in motorcycling pleasure. Your Harley-Davidson was designed to give you the ultimate in motorcycles — speed, acceleration, comfort and safety — precision built and engineered to give you many thousands of miles of dependable, carefree riding.

This hand book contains information you will need to know to operate and care for your Harley-Davidson, so that it will provide dependable and trouble-free service. Follow the instructions carefully and you will be assured of the best performance that your motorcycle can give.

This handbook is intended for the owner, and contains instructions for owner care and maintenance of a minor nature.

Information covering maintenance and repair of major units such as engine, transmission, etc. is provided in the Harley-Davidson Service Manual. Work of this kind requires the attention of a skilled motorcycle mechanic and the use of special tools and equipment. Your Harley-Davidson dealer has the facilities, experience and genuine Harley-Davidson parts to properly render this valuable service.
