1969 Mustang Price Guide:

The Official Vintage Guitar Magazine Price Guide Alan Greenwood, Gil Hembree, 2009-10-01 Uses market research and analysis to provide values for vintage or collectible instruments including information on more than eighteen hundred brands accompanied by eleven hundred photographs

1969 Ford Mustang Mach 1 Mike Mueller, 2018 By the time the 1969 model year rolled around it was well established that muscle cars were fast and plentiful Every manufacturer had at least one corner of the showroom where the go fast guys could congregate and discuss the merits and time slips of the latest performance offerings Competition being what it was the manufacturers were looking for ways to entice potential buyers to choose their product over ever increasing offerings from the competition Some manufacturers tried to accomplish this with affordable prices some tried fancy marketing schemes and some created a look and a style that screamed performance even when standing still The 1969 Mach I was Ford's attempt to create a package and a style to match the performance of its recently released and very potent 428 ci Cobra Jet engine package Displacing the still available but more conservative GT trim the Mach I included unique and innovative graphics and mechanical innovations including shaker hood scoops dual racing mirrors deluxe interiors competition suspension dual chrome exhaust tips and blacked out hoods The result was a wildly popular model that sold more than 70 000 units compared to slightly more than 5 000 GT models for the year Each volume in the In Detail Series provides an introduction and historical overview an explanation of the design and concepts involved in creating the car a look at marketing and promotion an in depth study of all hardware and available options and an examination of where the car is on the market today Also included are paint and option codes VIN and build tag decoders as well as production numbers

The Official Vintage Guitar Magazine Price Guide 2004 Alan Greenwood, Gil Hembree, 2003-10 Industry experts have long considered *The Official Vintage Guitar Price Guide* to be the most accurate authoritative and detailed publication to tackle the seemingly indomitable task of placing values on thousands of vintage and recent model guitars amps basses effects pedals mandolins lapsteels and other fretted instruments And the VG Price Guide is the only one to do it all in one book Now in its 13th year the new Guide offers more than ever Authors Alan Greenwood and Gil Hembree have made their ultimate guide to values even more valuable with more details on familiar favorites and backgrounds on nearly 800 brands Plus there are 700 photos showing all forms of vintage instruments amps and effects The Guide combines the most thorough research with an exceptionally user friendly format that employs quick find page headings a comprehensive index and a dealer directory that puts you just an e mail or phone call away from guitar buyers and sellers in every region of the country Also included is an in depth look at the factors that drive the collectible instrument market explaining the hows and whys in regard to the values of vintage and used equipment
