spec with similar results The COPO performance car program did not end with these muscle cars Yenko even ordered several hundred Vegas through the COPO program so they could be fitted with turbochargers and raced in SCCA competition Chevy muscle car aficionado and author Matt Avery retraces the history of the COPO program and the creation of these premier muscle cars He has scoured archives and tracked down owners and personnel involved in the program to deliver a comprehensive story and complete guide to the COPO cars The COPO muscle car and racing program produced a storied and remarkable journey and author Matt Avery captures all these facets in this entertaining and revealing history p p1 margin 0
