

elan

While the Élan measures in at a full 12" shorter than the standard sized Olympique for example, it measures up feature for feature in almost every other respect with bigger machines. Polar proven Bombardier Rotax engine; full length 15" deep profile track (patent pending); full 5" deep foam-filled wedge seat; engine-hiding console; safety tinted flexible windshield; pivoting shoe brake; spring loaded safety throttle on steering handle; front and rear lift grips on frame; side and rear safety reflectors; rear storage compartment; non-slip footpads; fixed jet carburetor for trouble-free operation; flexible bogey wheel suspension; recessed headlight; low silhouette cab; new shape skis; decompressor for easier starting; automatic transmission; choice of manual or electric start. They're all there on Élan. So you can see why we say it's easily the best snowmobile idea of the year. And remember . . . it's the lowest priced Ski-Doo snowmobile ever, with a suggested retail price of \$645 for manual and \$745 for electric start.

Free 24 point pre-delivery check-up and free 15 hour inspection only from your Ski-Doo dealer.
