

SAFETY DATA SHEET

GC 65PA White 337 (BERG)

SECTION 1: Identification of the substance/mixture and of the company/undertaking

1.1 Product identifier

Product name : GC 65PA White 337 (BERG)
Product code : G2029100
Product type : Liquid.

1.2 Relevant identified uses of the substance or mixture and uses advised against

Identified uses
Gelcoat

1.3 Details of the supplier of the safety data sheet

Scott Bader Co Ltd,
Wollaston,
Northants
NN297RL
United Kingdom
+44 (0)1933663100

e-mail address of person responsible for this SDS : SDS@scottbader.com

1.4 Emergency telephone number

Telephone number : +44 1865 407333 (NCEC) 24h
(Hours of operation)

SECTION 2: Hazards identification

2.1 Classification of the substance or mixture

Product definition : Mixture

Classification according to Regulation (EC) No. 1272/2008 (CLP/GHS)

Fam. Liq. 3, H226

Acute Tox. 4, H332

Skin Irrit. 2, H315

Eye Irrit. 2, H319

Repr. 2, H361d (Unborn child)

STOT SE 3, H335

STOT RE 1, H372 (hearing organs)

Aquatic Chronic 3, H412

The product is classified as hazardous according to Regulation (EC) 1272/2008 as amended.

See Section 16 for the full text of the H statements declared above.

See Section 11 for more detailed information on health effects and symptoms.

Discriminating Taste S. Margot Finn,2017-04-24 For the past four decades increasing numbers of Americans have started paying greater attention to the food they eat buying organic vegetables drinking fine wines and seeking out exotic cuisines Yet they are often equally passionate about the items they refuse to eat processed foods generic brands high carb meals While they may care deeply about issues like nutrition and sustainable agriculture these discriminating diners also seek to differentiate themselves from the unrefined eater the common person who lives on junk food Discriminating Taste argues that the rise of gourmet ethnic diet and organic foods must be understood in tandem with the ever widening income inequality gap Offering an illuminating historical perspective on our current food trends S Margot Finn draws numerous parallels with the Gilded Age of the late nineteenth century an era infamous for its class divisions when gourmet dinners international cuisines slimming diets and pure foods first became fads Examining a diverse set of cultural touchstones ranging from Ratatouille to The Biggest Loser Finn identifies the key ways that good food has become conflated with high status She also considers how these taste hierarchies serve as a distraction leading middle class professionals to focus on small acts of glamorous and virtuous consumption while ignoring their class s larger economic stagnation A provocative look at the ideology of contemporary food culture Discriminating Taste teaches us to question the maxim that you are what you eat

School Nursing Janice Selekman,Robin Adair Shannon,Catherine F Yonkaitis,2019-07-01 Produced in cooperation with the National Association of School Nurses this text includes comprehensive coverage of the multiple facets of school nursing from the foundations of practice and the roles and functions of a school nurse through episodic and chronic illness and behavioral issues to legal issues and leading and managing within school settings Written and edited by school nurses and pediatric experts it features real world tested best practices based on evidence and experience There s content here that you won t find in other books such as health assessments individualized health plan development mental health conditions including adolescent depression contemporary legal issues and current policy statements essential to school nursing

Prenatal and Postnatal Care Karen Trister Grace,Cindy L. Farley,Noelene K. Jeffers,Tanya Tringali,2023-10-23 Prenatal

and Postnatal Care Situate pregnancy in the emotional and physical life of the whole person with this bestselling guide Prenatal and postnatal care are important and dynamic areas in healthcare research and practice The needs of the childbearing person before and after birth are complex and intensely personal combining significant physiological impact with broader emotional needs In order to supply optimal care providers must account not only for physiological factors but also for cultural social experiential and psychological ones Prenatal and Postnatal Care takes a holistic person centered approach to prenatal and postnatal care Emphasizing the pregnant person and their unique needs this book presents prenatal and postnatal care as foundational care for a healthy start to family life This accessible comprehensive book provides unique knowledge and skills to practitioners so that they can make a positive difference to the people they serve Readers of the third edition of Prenatal and Postnatal Care will also find New chapters covering health equity ethics in perinatal care exercise and more All chapters updated to reflect evidence concerning health disparities and inequities Concrete ways for clinicians to disrupt the systems of harm and exclusion that can mediate care at every level Prenatal and Postnatal Care is essential for midwives nurse practitioners physician assistants and other healthcare providers who work with childbearing people *Geriatric Dentistry in the Age of Digital Technology* Martínez Asanza, Dachel, 2023-12-18 Geriatric Dentistry in the Age of Digital Technology is a comprehensive guide that addresses the crucial role of dental professionals in providing specialized care for aging patients in today's digital era As the world's population continues to age it is imperative to prioritize the health promotion prevention and recovery of older individuals especially concerning their oral health Drawing upon relevant theoretical frameworks and the latest empirical research this book offers invaluable insights for professionals seeking to enhance their understanding of Geriatric Dentistry and Gerodontology as well as their application within the international context of digital transformation Whether you are a dentist dental student researcher or involved in the management of elderly dental care this book provides a comprehensive exploration of the discipline's key topics Delving into a range of subjects the book covers essential areas such as the integration of Geriatrics and Gerontology into dental training teaching methodologies for Geriatric Dentistry and Gerodontology prevalent systemic diseases among the elderly oral conditions commonly observed in this population changes in the oral cavity during aging and holistic dental care for geriatric patients in the digital age Additionally the book explores the dynamic relationship between oral health and the quality of life of older individuals strategies for health promotion and disease prevention salutogenic marketing approaches and the challenges faced in providing dental care for elderly patients including physical psychosocial and geographical barriers [Advanced Automotive Fault Diagnosis](#) Tom Denton, 2016-07-07 Learn all the skills you need to pass Level 3 and 4 Vehicle Diagnostic courses from IMI City and Guilds and BTEC as well as higher levels ASE AUR and other qualifications Advanced Automotive Fault Diagnosis explains the fundamentals of vehicle systems and components and examines diagnostic principles as well as the latest techniques employed in effective vehicle maintenance and repair Diagnostics or fault finding is

an essential part of an automotive technician's work and as automotive systems become increasingly complex there is a greater need for good diagnostics skills For students new to the subject this book will help to develop these skills but it will also assist experienced technicians to further improve their performance and keep up with recent industry developments Checked and endorsed by the Institute of Technology to ensure that it is ideal for both independent and tutor based study Diagnostics case studies to help you put the principles covered into real life context Useful margin features throughout including definitions key facts and safety first considerations *Engineering Hydrology for Natural Resources Engineers* Ernest W.
