Federal Probation, 1991 **United States Sentencing Commission Guidelines Manual 2013** United States Sentencing Commission, 2014-03-13 This book contains the official guidelines of the federal criminal sentencing policies established by the United States Sentencing Commission The Federal Sentencing Guidelines are rules that set out a uniform sentencing policy for individuals and organizations convicted of felonies and serious Class A misdemeanors in the United States federal courts system The Guidelines do not apply to less serious misdemeanors **United States Sentencing Commission Guidelines Manual** United States Sentencing Commission, 2006 List of Classes of United States Government Publications Available for Selection by Depository Libraries, 2007 Federal Sentencing Manual Gerald T. McFadden, 1989 **United States of America V. Bovio**, 1994 **Law without Justice** Paul H. Robinson, Michael T. Cahill, 2005-12-01 If an innocent person is sent to prison or if a killer walks free we are outraged The legal system assures us and we expect and demand that it will seek to do justice in criminal cases So why for some cases does the criminal law deliberately and routinely sacrifice justice In this unflinching look at American criminal law Paul Robinson and Michael Cahill demonstrate that cases with unjust outcomes are not always irregular or unpredictable Rather the criminal law sometimes chooses not to give defendants what they deserve that is unsatisfying results occur even when the system works as it is designed to work The authors find that while some justice sacrificing doctrines serve their intended purpose many others do not or could be replaced by other better rules that would serve the purpose without abandoning a just result With a panoramic view of the overlapping and often competing goals that our legal institutions must balance on a daily basis Law without Justice challenges us to restore justice to the criminal justice system *Guidelines Manual* United States Sentencing Commission, 2006 **Administrative Notes**, 2005 **The ...
