Second and Third Grade Manual Emma Miller Bolenius, 1923 Exploring 1-5 Bev Dunbar, 2002 Covers over 100 teacher-led activities that encourage young children to think mathematically by exploring, experimenting and being creative. Assessment is built into tasks and each book includes a bank of photocopiable resource sheets linked to activities. *Detroit Journal of Education*, 1922 The Quarterly Journal of Speech Education, 1922 **Student-Led Discussions** Sandi

Novak, 2014-08-01 Student-Led Discussions offers teachers the resources they need to develop meaningful student-led conversations about text and media across the content areas. *Tap, Click, Read* Lisa Guernsey, Michael H. Levine, 2015-08-14 A guide to promoting literacy in the digital age. With young children gaining access to a dizzying array of games, videos and other digital media, will they ever learn to read? The answer is yes if they are surrounded by adults who know how to help and if they are introduced to media designed to promote literacy instead of undermining it. *Tap Click Read* gives educators and parents the tools and information they need to help children grow into strong, passionate readers who are skilled at using media and technology of all kinds: print, digital and everything in between. In *Tap Click Read*, authors Lisa Guernsey and Michael H. Levine envision a future that is human-centered first and tech-assisted second. They document how educators and parents can lead a new path to a place they call Readialand, a literacy-rich world that marries reading and digital media to bring knowledge, skills and critical thinking to all of our children. This approach is driven by the urgent need for low-income children and parents to have access to the same 21st-century literacy opportunities already at the fingertips of today's affluent families. With stories from homes, classrooms and cutting-edge tech labs, plus accessible translation of new

research and compelling videos Guernsey and Levine help educators parents and America s leaders tackle the questions that arise as digital media plays a larger and larger role in children s lives starting in their very first years of life Tap Click Read includes an analysis of the exploding app marketplace and provides useful information on new review sites and valuable curation tools It shows what to avoid and what to demand in today s apps and e books as well as what to seek in community preschools elementary schools and libraries Peppered with the latest research from fields as diverse as neuroscience and behavioral economics and richly documented examples of best practices from schools and early childhood programs around the country Tap Click Read will show you how to Promote the adult child interactions that help kids grow into strong readers Learn how to use digital media to build a foundation for reading and success Discover new tools that open up avenues for creativity critical thinking and knowledge building that today s children need The book s accompanying website keeps you updated on new research and provides vital resources to help parents schools and community organizations **Critical**
