**The Education Triple Cocktail** Brahm Fleisch, 2018-08-15 The Education Triple Cocktail brings together rigorous quantitative and qualitative research on a new approach to improving foundational teaching and learning for schoolchildren living in working class poor and remote rural communities in resource constrained systems like South Africa At the core of this book is the theory and evidence for a powerful new interlocking and mutually reinforcing change model Inspired by the AIDS treatment story the three pronged approach of structured daily lesson plans appropriate and high quality educational materials and one on one instructional coaching to help teachers transform their instructional practices in early grade classrooms shows that it will improve learning outcomes For education systems defined by low levels of early grade learning and profoundly unequal

outcomes The Education Triple Cocktail offers a theoretically informed evidence based way forward This book will be of immense use to teachers students of Education policymakers and parents Investigating the Roles of School Management Teams in Curriculum Delivery Mawela, Ailwei Solomon,van Wyk, Micheal M.,Lebeloane, Lazarus,Mudau, Awelani V.,2021-06-25 The COVID 19 pandemic has introduced a new paradigm in education that has forced school management teams to re imagine their curricula delivery functions and obligations during and post COVID 19 Now there are concerns about the state to which curriculum delivery in schools is likely to become planned implemented and managed Investigating the Roles of School Management Teams in Curriculum Delivery improves the quality of planning implementation and management of curriculum delivery to advance the quality of teaching and learning in schools Particularly it envisages innovative strategies best practices and addresses problems in the planning implementation and delivery of curricula by school management teams Covering topics such as curriculum delivery theory curriculum delivery in planning implementation and management during and post COVID 19 curriculum delivery in assessment and alternative assessment and reimagining inclusivity in curriculum delivery this edited book is essential for departmental heads deputy principals education district officials department of basic education curriculum designers instructional designers administrators academicians university teachers researchers and post graduate students *Drum* ,2006 **Challenges and Issues facing the Education System in South Africa** Legotlo, Marekwa Wilfred,2014-05-05 The quality of education is pivotal for the production of human capital and this cannot be compromised by failing to refocus on the quality of education offered in schools The inputs in the system such as trained and motivated teachers buildings and classrooms including sanitation clean water instructional material such as textbooks as well as strong leadership with vision to steer the winds of change are important in providing the desired outcomes The chapters in this volume are broadly divided into three subsections as follows learner related issues farm and rural schools poverty and schooling school violence and students rights teacher related issues teacher morale and motivation teachers for all schools management needs of school principals and administrative policy related issues inclusive education and school community relations The social demand for better schools effective principals qualified and committed teachers and better opportunities for all place a huge challenge to provinces and the state to protect the rights of all citizens This volume sets out the challenges facing the education system in South Africa such as poor school infrastructure poor learning conditions and a lack of learning materials and provides recommendations on how some of these can be overcome From School to Higher Education? Michael Cosser,Jacques Du Toit,2002 This substantive report is essential reading for those involved in higher education planning and policy making **Emerging Voices** Human Sciences Research Council,Education Policy Consortium (South Africa),2005 This examination graphically illustrates the conditions that make dreams of a better life for all virtually unrealizable in rural areas of South Africa Through the voices of rural people themselves this study tells not only what the problems surrounding education are but also what can

and should be done when the South African government launches its offensive against poverty in rural areas Rigorous and qualitative the text is an overview of the need of great numbers of people for the opportunities and capabilities that education can provide for their futures It also shows the existing situation of many impoverished populations worldwide and illustrates that poverty and inequality continue where such issues are not addressed

**Substance Use and Abuse in South Africa** George Ellis, Dan Stein, Ernesta Meintjies, Kevin Thomas, 2012-07-04 Substance abuse is an enormous social problem in South Africa as elsewhere But in South Africa in particular tik crystal meth or methamphetamine and alcohol are devastating society aggravating poverty and crime and contributing to child abuse and gender violence Substance Use and Abuse in South Africa has arisen out of the thriving Brain Behaviour Initiative BBI at the University of Cape Town which relates neuroscience and behavioural science to social issues This ground breaking book looks at the problem of substance abuse from multiple perspectives and particularly in the light of recent discoveries in brain and behavioural science but also takes a public health view Its focus ranges from brain imaging and dopaminergic neurocircuitry to policy and prevention and is written by local researchers at the cutting edge

*The Burden of Educational Exclusion*, 2010-01-01 School was nothing but a taboo for me concludes Johannah a young South African after recounting her life story Johannah is one of the early school leavers who features in this book Figures on participation in education in Africa show that despite government agreements and policies developed under the banner of Education for All this remains a remote goal In several countries programmes on Universal Primary Education have improved access to education but do those who enter school remain there until they have reached a suitable level Do they acquire enough competences at primary and secondary school to survive the tough daily life in sub Saharan countries What happens to children and young adults who leave school early What measures can be taken to prevent them from doing so This book is based on research carried out in Eastern and Southern Africa by scholars from Africa and the Netherlands who cooperated within the framework of the ESLA project The contributions to this book reflect the exchanges and discussions which took place in this research group initiated by staff of Mzumbe University in Tanzania Uganda Martyrs University and the University of Groningen in the Netherlands The group aims to go beyond figures and uncover the causes effects and stories of the young people involved as well as explore promising new strategies with which to address their needs As early school leaving is not exclusively an African problem a contribution on the Dutch situation is also included The book concludes that exclusion from education has far reaching effects not only for the young people involved but also for the society in which they live The burden of educational exclusion should be the joint responsibility of developing and developed countries The authors hope the book will contribute not only to a greater understanding of the phenomenon of early school leaving but also challenge it in terms of developing policies and programmes that can prevent educational exclusion and support those who already find themselves in such a situation
