### Class President

Grant was a student at Craft Middle School. He liked to sing in choir and play in the band. At lunch, he liked to drink red soda with his best friends. This year, he wanted to be class president. He was a little nervous, but it was important to him to win. He cleaned his room and did his homework. He practiced his speech. He went to school on time. In the end, when it was time to vote, he was elected. He is now class president.
