The 21st Century Singer Susan Mohini Kane, 2015-01-02 The vast majority of singers with a degree in performance are un or under employed in their field Despite the fact that talented singers are discovered every day there are far too few jobs in the field of classical music to accommodate all of them a problem evidenced by regular reports of opera companies and symphony orchestras closing their doors Young classical singers particularly recent graduates of music programs need not only artistic ability but also intelligence and an acute business sense to navigate the world of professional singing In The 21st Century Singer Making the Leap from the University into the World author Susan Mohini Kane has created a user friendly guide for these recent graduates Kane combines the benefits of an instructional manual with those of a self reflective workbook to provide emerging classical singers with both practical and inspirational advice She begins with a section on self evaluation allowing readers to define what motivates their desire to sing professionally and reflect on their passions before moving on to career advice In the sections that follow Kane presents a variety of career paths such as singing teaching and consulting realistic alternatives to the rise to stardom as an overnight sensation that so few will experience and provides the reader with the tools to develop a concrete plan for whichever path they decide to pursue Other sections offer instruction on how to develop support systems train oneself holistically and take advantage of the newest technological resources available for professional self promotion With its dual emphasis on artistic motivation and modern day business sense The 21st Century Singer will prove an essential text for anyone pursuing a professional singing career

Stage Manager Larry Fazio, 2017-01-12 Stage Manager The

Professional Experience Refreshed takes the reader on a journey through all aspects of the craft of stage management in theatre including the technological advancements that have come to theatre and the stage manager's job. Chapters are laid out to reflect the order in which stage managers experience and perform their work: what makes a good stage manager, seeking the job, building a resume, interviewing for the job, and getting the job or not getting the job. Included are chapters on the chain of command, working relationships, tool and supplies, creating charts, plots, plans, and lists, the rehearsal period, creating the prompt book, calling cues, and the run of the show. These are just some of the many topics covered in this book. In addition, the author uses interviews with stage management professionals in various stages of production, providing another view of how the stage manager is perceived and what is expected from the work of the stage manager. Fifteen years after the original publication of *Stage Manager: The Professional Experience*, this new and refreshed edition is now in color to help clarify and illustrate points in the text. It is fully updated to reflect the world of computerized technology: smart phones, thinly designed laptops, tablets, use of email and text messaging, storing and sharing files and information in cloud-based apps. Then there are the innovations of automation: electronically moving scenery, scenic projections, casting images and patterns on the stage, moving lights, LED luminaires, lasers, and greater use of fog and haze machines. In addition, the extensive glossary of more than 600 terms and phrases has been extended to well over 700, providing an excellent professional vocabulary for anyone hoping to be a theatre stage manager or already working in the field. **A Cappella** Deke Sharon, Ben

Spalding, Brody McDonald, 2015-12-01. More than any other person, Deke Sharon is responsible for the current success of pop a cappella. Founder of the House Jacks, the original rock band without instruments, Deke continues to influence through his work with *The Sing Off*, *Pitch Perfect*, *Pitch Perfect 2*, and *Vocalosity*. Combine Deke's expertise with that of directors Ben Spalding and Brody McDonald, add a foreword by Ben Folds, throw in advice from contributors like Peter Hollens, and you have the most comprehensive volume ever created on the subject of contemporary a cappella singing. Sections include: Setting the Stage, Getting the Band Together, Arranging, Preparing, Technology, Making a Name, and more. **Kpop Audition**
