War of Nerves Jonathan Tucker, 2007-12-18 In this important and revelatory book Jonathan Tucker a leading expert on chemical and biological weapons chronicles the lethal history of chemical warfare from World War I to the present At the turn of the twentieth century the rise of synthetic chemistry made the large scale use of toxic chemicals on the battlefield both feasible and cheap Tucker explores the long debate over the military utility and morality of chemical warfare from the

first chlorine gas attack at Ypres in 1915 to Hitler's reluctance to use nerve agents he believed incorrectly that the U S could retaliate in kind to Saddam Hussein's gassing of his own people and concludes with the emergent threat of chemical terrorism Moving beyond history to the twenty first century War of Nerves makes clear that we are at a crossroads that could lead either to the further spread of these weapons or to their ultimate abolition **Diwan Revisited** Holl,2014-01-09 First Published in 2000 Routledge is an imprint of Taylor Francis an informa company **Minerals Yearbook** Mines Bureau,Geological Survey,Interior Department,2018-04-19 The region of Europe and Central Eurasia defined in this volume encompasses territory that extends from the Atlantic Coast of Europe to the Pacific Coast of the Russian Federation It includes the British Isles Iceland and Greenland a self governing part of the Kingdom of Denmark Included are mineral commodity outlook tables plus global overview research for particularly commodities within a specific regions countries are presented throughout the text Manufacturers of these metals and commodities along with trade brokers that may specialize in imports and exports political scientists and economists may also be interested in this volume Students pursuing research on specific metals and mineral commodities for world economy courses may be interested in this volume **Minerals Yearbook, 2009, V. 3, Area Reports, International, Africa and the Middle East** ,2011-10-30 The Minerals Yearbook is an annual publication that reviews the mineral and material industries of the United States and foreign countries The Yearbook contains statistical data on materials and minerals and includes information on economic and technical trends and development The Minerals Yearbook includes chapters on approximately 90 commodities and over 175 countries This volume of the Minerals Yearbook provides an annual review of mineral production and trade and of mineral related government and industry developments in more than 175 foreign countries Each report includes sections on government policies and programs environmental issues trade and production data industry structure and ownership commodity sector developments infrastructure and a summary outlook Whose Mission, Whose Orders? David A. Charters,2017-05-22 The 1998 Good Friday Agreement that ended the conflict in Northern Ireland left intriguing questions unanswered who made the crucial decisions about the use of the British Army during the Troubles the politicians or the generals And how did these decisions shape the army's operations on the ground In Whose Mission Whose Orders David Charters pulls back the curtain on secret debates between British politicians and generals as each struggled to assert their control over army operations Consulting original sources Charters examines the roles played by politicians generals and senior civil servants in the initial deployment of troops in 1969 the internment operation the removal of the no go areas and the Ulster Workers Council general strike The case studies highlight the army's dualistic character as both a professional force and a skilled political player Despite its political function Charters argues politicians did not always listen to the army's military advice leading to unsound decisions that aggravated and prolonged the unrest Illustrating the complex and dynamic balance of civil and military objectives that informed security policy and operations during the conflict in Northern Ireland Whose Mission Whose Orders offers new
