Sustainable Development Goal 14 - Life Below Water: Towards a Sustainable Ocean Emanuele Di Lorenzo, Christian Lønborg, Jesper H. Andersen, Elva G. Escobar-Briones, Michelle Jillian Devlin, Angel Borja, Marius Nils Müller, Carol Robinson, Alex Ford, Anna Milena Zivian, Ana M. M. Sequeira, Sebastian Villasante, Brett W. Molony, Tomaso Fortibuoni, Simone Libralato, Pierre Failler, 2022-03-15

The International Law of Youth Rights Jorge Cardona, Giuseppe Porcaro, Jaakko Weuro, Giorgio Zecca, 2015-02-04 In 1996 William Angel launched a unique pioneering study tracing the origin growth and basic features of the international law of youth rights It consisted of both source documents and commentary on the historical trends to elaborate and codify international instruments and standards in this field as well as action taken by governmental intergovernmental and non governmental organizations to promote and protect youth rights It concluded with a call for a new international instrument and monitoring machinery to better promote and protect the rights of youth on a global basis The aim of the current revised updated and expanded edition of this ground breaking work is twofold First to preserve and update the landmark historical research undertaken by William Angel and present it to today s audience Second to introduce up to date analysis of the state of the International Law of Youth Rights and to provide an easy to use compilation of sources of law for researchers and practitioners active in this field This important collection will provide a roadmap for readers to finding the various sources of the International Law of Youth Rights and a reference point for the most relevant legal documents in force It aims to spark further legal political and sociological research in the academic field as well as support even stronger advocacy actions to further the rights of young people Two volume set

The IMLI Treatise On Global Ocean Governance David Joseph Attard, Malgosia Fitzmaurice, Alexandros Ntovas, 2018-07-11 The 1982 United Nations Convention on the Law of the Sea UNCLOS remains the cornerstone of global ocean governance However it lacks effective provisions or mechanisms to ensure that all ocean space and related problems are dealt with holistically With seemingly no opportunity for revision due to the Conventions burdensome amendment provisions complementary mechanisms dealing with such aspects of global ocean governance including maritime transport fisheries and marine environmental sustainability have been developed under the aegis of the United Nations and other relevant international organizations This approach is inherently fragmented and unable to achieve sustainable global ocean governance In light of the Sustainable Development Goals SDGs particularly Goal 14 the IMLI Treatise proposes a new paradigm on the basis of integrated and cross sectoral approach in order to realise a more effective and sustainable governance regime for the oceans This volume focuses on the role of the UN Specialized Agencies towards the development of effective and sustainable ocean governance by looking at the more elaborate mechanisms they developed in order to achieve the desired objectives laid down in UNCLOS From FAO to UNODC the volume examines how they ensure sustainable development and how much coordination exists among them

Global Challenges and the Law of the Sea Marta

Chantal Ribeiro, Fernando Loureiro Bastos, Tore Henriksen, 2020-05-23 This book analyses a selection of challenges in the implementation and application of the 1982 UN Convention on the Law of the Sea UNCLOS focusing on several areas international organizations fisheries security preserving marine biodiversity dispute settlement and interaction with other areas of international law UNCLOS has been described as the Constitution for the Oceans It sets out the fundamental rights obligations and jurisdictions of States regarding the access to uses and management of the oceans and seas and their resources It balances States diverse and sometimes conflicting interests such as conflicting uses of space against navigational interests and the protection of the marine environment UNCLOS is the first global treaty to include comprehensive obligations on the protection and preservation of the marine environment including the conservation of living marine resources These are often common or cross border challenges which can only be addressed through international cooperation The book is divided into three thematic parts The first concerns the role of international organizations in ocean governance It includes twelve chapters covering a very diverse set of issues both materially and geographically that demonstrate the importance of coordinated actions on the part of multiple States for obtaining harmonized solutions regarding the pursuit of activities in maritime spaces in connection with e g navigation fisheries or maritime security The second part concerns the relevance of dispute settlement mechanisms for understanding the international law of the sea and the international legal framework within which the actions of the great maritime powers take place It is composed of three chapters examining stakeholders role in dispute settlement the position taken by China and the Russian Federation regarding international litigation in maritime spaces and how the South China Sea Award may be relevant to the debate on the international legal concepts of rock and island In turn the third part addresses current discussions on the conservation and sustainable use of marine biological diversity of areas beyond national jurisdiction Its seven chapters report on the status quo of the ongoing negotiations for a new international legal regime of the high seas and the establishment and operationalization of environmental regimes for international maritime spaces

Responsibility and Liability in the Context of Transboundary Movements of Hazardous Wastes by Sea Jan Albers, 2014-09-25 The term hazardous wastes covers a wide range of disused products and production wastes generated not only in industrial sectors but also in all areas of everyday life Hazardous wastes are to a large extent shipped by sea to third countries for recycling or disposal While the procedural requirements for such movements are laid out in the 1989 Basel Convention explicit rules of responsibility and liability for resulting damages are neither provided by the Basel Convention nor by other international conventions The Liability Protocol to the Basel Convention of 1999 has not yet entered into force This book examines the existing rules of responsibility and liability applying to States and private persons and outlines the conditions under which liability may be incurred Subsequently the advantages and shortcomings of the 1999 Liability Protocol are analyzed Although this Protocol faces substantial political headwind from a legal perspective it includes principally useful and reasonable approaches and should

therefore be ratified International Terrorism: A Compilation of U.N. Documents (1972-2001) M. Cherif Bassiouni, 2023-04-17 An extensive body of law designed to control international terror violence has come into being and it is this assembly of reports and resolutions conventions and scattered treaty provisions that we must rely on as we move toward an enforceable unambiguous anti terrorism regime in international law These legal instruments are gathered together for the first time in this definitive two volume set The only published source of all United Nations documentation since 1972 on the subject of terrorism including all 180 reports and resolutions adopted since that date and up to June 2001 Plus an introductory article by the editor provides a forward looking view of the evolving challenges in combating the ever changing manifestations of terror violence Published under the Transnational Publishers imprint The print edition is available as a set of two volumes 9781571052278 *The Obligation to Extradite Or Prosecute* Kriangsak Kittichaisaree, 2018 It was hoped that the creation of the International Criminal Court would enable the extradition and prosecution of crimes which shock the world Fifteen years later Kittichaisaree scrutinises the achievements and limitations of the court so far offering his own vision for ensuring that no international criminal escapes the eye of justice **The Politics of Global Ocean Regions** Christian Bueger, Elizabeth Mendenhall, Rebecca Strating, 2025-07-08 The oceans are not just vast expanses of blue but dynamic political spaces shaped by complex regional dynamics In this fascinating study the authors advance a novel analytical framework for the study of the politics of global ocean regions They shed new light on the complex interactions in ocean spaces such as the Arctic Indo Pacific or Indian Ocean Written by leading experts in different ocean regions the book demonstrates how important yet diverse and complex regional maritime politics are Its emphasis on the emergence organization and effects of global ocean regions provides a useful framework for guiding future research The book will be essential reading for students and analysts interested in regionalism the oceans and the governance of global commons

Global ocean science report UNESCO, IOC, Valdés, Luis, 2017-07-04 The Global Ocean Science Report GOSR assesses for the first time the status and trends in ocean science capacity around the world The report offers a global record of how where and by whom ocean science is conducted generating knowledge helping to protect ocean health and empowering society to support sustainable ocean management in the framework of the United Nations 2030 Agenda The GOSR identifies and quantifies the key elements of ocean science at the national regional and global scales including workforce infrastructure and publications It is the first collective attempt to systematically highlight opportunities as well as capacity gaps to advance international collaboration in ocean science and technology This report is a resource for policy makers academics and other stakeholders seeking to harness the potential of ocean science to address global challenges A comprehensive view of ocean science capacities at the national and global levels takes us closer to developing the global ocean science knowledge needed to ensure a healthy sustainable ocean **Proceedings / Actes et Documents of the XIXth Session of The Hague Conference on Private International Law** The Hague Conference on Private Internat, 2006-10-31 This volume of the

Proceedings of the Nineteenth Session of the Hague Conference on Private International Law encompasses all preparatory work and records of meetings which led to the adoption of the Hague Convention on the Law Applicable to Certain Rights in Respect of Securities held with an Intermediary the Hague Securities Convention The signing of this Convention on 5 July 2006 by two of the world's major financial markets the United States and Switzerland shows the relevance of the new treaty Traditional rules based on physical transfers and direct holdings are too diverse and inadequate to deal with securities which are nowadays transferred and pledged by electronic entries to accounts with clearing and settlement systems and other intermediaries By identifying specific conflict rules the Hague Securities Convention provides a means to remedy this lack of legal certainty which has characterized for too long the field of security transactions The Proceedings will enable the financial world but also legal practitioners and academics to grasp the background and full objectives of this very innovative international instrument
