#### 14 Saapam Conference Programme:

*Evaluation Management in South Africa and Africa* Fanie Cloete, 2014-12-01 This blind peer reviewed book systematically records analyses and assesses for the first time in a single volume the implications of the global development and management of professional evaluation for the African continent The book deals with the most strategic contemporary evaluation themes Each of these themes contains discussions of theoretical issues illustrated with one or more short case studies while selected longer case studies and other relevant documentation are also taken up in annexures at the end of the book The book therefore comprises a guide to best M E practices for purposes of systematic policy programme and project evaluations It is suitable for both professional M E institutionalisation and capacity building projects as well as for evaluation information dissemination and education at different levels in the public private and voluntary sectors in society especially in a developmental context

*Fighting for Empowerment in an Age of Violence* Boskovic, Milica, Misev, Gordana, Putnik, Nenad, 2022-06-30 In today's modern world persistent violence against vulnerable groups and minorities permeates societies making it difficult for them to flourish Empowering these groups has never been more important as society attempts to evolve and focus on inclusion To understand the best practices and challenges of empowerment for minorities further study is required Fighting for Empowerment in an Age of Violence analyzes the different forms of violence against vulnerable groups and minorities states their civil rights and illustrates the forms of weakening and violence supported by authorities against their own citizens The book also highlights the challenges for people marked as unequal or weak and the possibilities that the 21st century offers to empower them Covering topics such as gender roles political violence societal security and globalization this reference work is ideal for government officials sociologists psychologists politicians security experts activists researchers academicians practitioners scholars educators and students

International Business, 2024-01-31 International Business New Insights on Changing Scenarios is a collection of reviewed and relevant research chapters offering a comprehensive overview of recent developments in business management and economics The book presents a review of the latest research efforts by international authors in social science and opens new possible research paths for further novel developments Chapters address such topics as business intelligence circular systems corporate governance work related safety issues and much more

*Enhancing effective public sector governance* Audrey H. Legodi, Philna Coetzee, Lourens Erasmus, 2025-04-23 Audit committees are formed to provide impartial advice on matters of governance risk management internal controls and audits performance management compliance and financial reporting It is alarming to see communities deteriorating as a result of poor municipal services despite the fact that existing audit committees serve as independent advisory boards Accountability is key to the success of municipalities individuals opposing the implementation of improved service delivery should be held accountable This book examines the obstacles that hinder audit committees from effectively executing their duties giving a thorough analysis and resolutions to the South African service delivery crisis The

book's use of the IQA method reveals overlooked variables that South African municipalities and audit committees must contemplate. This methodological contribution results in the construction of a literature framework to substantiate the focus of the study through the identified themes. This book offers guidelines for municipal audit committees on executing their roles successfully and ethically. It also practically equips regulators including the National Treasury, provincial treasuries, CoGTA and SALGA with measures to enhance the efficacy of audit committees. Professional bodies and Best Practices Guidance bodies may augment their standards and ethical codes to guide members serving on audit committees.
