## **15 Come Follow Me Study Guide:**

**Discipleship For Beginners A Study Guide** Simon Kennard, 2016-11-08 Discipleship is nothing but true belief in God. It is generally thought that disciples were those early followers of Jesus. However, that is not true and anyone can be a true disciple and all it needs is dedication. In fact, the true definition is a dedicated and committed follower or student of a teacher, leader, or philosopher. In my book, it is all about this and much more; it will guide you through what is required from a true disciple and also will help you understand as to what the Bible says about Discipleship.

**The Parables of Jesus: Study Guide** Keith Thomas, 2015-05-06 Have you ever wondered what Jesus meant in His parables? In *The Parables of Jesus*, British Pastor Keith Thomas teaches in depth to explain some of the most important topics on spiritual growth that Jesus taught.

SCM Studyguide Church History Stephen Spencer, 2013-08-30 An introduction to the study of the ways the church has evolved in its corporate life since its birth in the first century. Special attention is given to studying its changing relationship and interaction with the surrounding societies in which it has existed. The intended readership will be those training for ministry in English speaking churches so the studyguide will concentrate on those aspects of this subject of most relevance to this group. This means there will be greater attention to developments in the West than in the East, especially in later centuries and to topics such as the nature of ministry, the sacraments, places of worship, authority in the church, and mission. These will be examined at each period of church history in each chapter to provide reference points of comparison throughout the book. Each chapter will also contain a specific case study presenting extracts of some key documents with notes, commentary, and questions for discussion to allow readers to develop skills in historical research. General discussion questions and reading lists will be provided at the end of each chapter. The final chapter will provide guidance for the study of the history of the student's own church and community.

*Come Follow Me Words of the Week: Week-By-week insights on significant words in the new testament* Eric D. Richards, 2023-03-22 Words are powerful. By changing a single word, the entire meaning of a message can be obscured or misdirected. God knew the power of words when He inspired the authors and translators of His divine messages in scripture. By carefully studying why certain words were used in scripture, we will find a deep ocean of interpretation and personal application. *Come Follow Me Words of the Week* is the perfect introduction to a richer understanding of God's words. Prominent Latter-day Saint speaker, author, and educator Eric Richards clearly explains the etymology, exegesis, historical background, and modern revelations of significant words from the scriptures. Broken down into a few words per week, this guide makes studying the scriptures individually or as a family easier and more accessible. Discover the contextual meanings of words and phrases such as wax gross, born again, and profane, but also deep dive into the significance of biblical names like Bethshara, Babylon, and Jerusalem. With only a few words a week, jumpstart a year of joyous exploration into the scriptures, come to appreciate the power of words in your own life, and feel your testimony strengthen with every new understanding.
