Race, Place and the Seaside Daniel Burdsey, 2016-08-18 This is the first academic monograph to focus exclusively on issues of race ethnicity whiteness and multiculturalism at the English seaside The book calls for acknowledgement of the racialised nature of this environment and proposes that its distinctive spaces places traditions and narratives should be included within broader analyses of race in contemporary Britain Introducing the concept of coastal liquidity to explain shifting ethno racial demographics migratory politics and spatial dynamics at the edge of the sea along with the relative immobilities of the minority ethnic communities who move and reside there the author provides a relational exploration of seaside experiences both as a locus of racialised categorisation exclusion and subjugation

and one of resistance conviviality and intercultural exchange Combining theoretical insight and empirical fieldwork the book disrupts dominant thinking that fixes ontologically minority ethnic bodies to urban spaces and overcomes their erasure and silencing from the seaside landscapes of the popular imagination

Political Handbook of the World 2016-2017 Tom Lansford, 2017-03-31 Published since 1928 the Political Handbook of the World provides timely thorough and accurate political information with more in depth coverage of current political controversies and political parties than any other reference guide The updated 2016 2017 Edition continues this legacy as the most authoritative source for finding complete facts and analysis on each country's governmental and political makeup Political science and international relations scholars have revised this edition and made understanding complex foreign affairs and political situations easy and accessible With more than 200 entries on countries and territories throughout the world housed in one place these volumes are renowned for their extensive coverage of all major and minor political parties and groups in each political system They also provide names of key ambassadors and international memberships of each country plus detailed profiles of more than 30 intergovernmental organizations and United Nations agencies This comprehensive update will include coverage of current events issues crises and controversies from the course of the last two years including The closely watched U S presidential election The effect of the Brexit referendum and installment of a new British prime minister The extensive investigation and subsequent impeachment of Brazil's president The far reaching impact of the Panama Papers scandal Changes in U S Cuba diplomatic relations and the reopening of their embassies The unconstitutional declaration of Gambia as an Islamic State Sentiments about the migrant and refugee crisis across Europe and the influence on policy Also the new For Further Reference feature included for every country entry directs readers to additional resources to continue their research

Swedish Crime Fiction Kerstin Bergman, 2014-05-26 T00:00:00+02:00 Why have authors from the safe social welfare state Sweden captivated the minds of the crime fiction readers across the globe Kerstin Bergman suggests that killer marketing and a widespread curiosity about the exotic Nordic welfare states their waste landscapes and alleged gender equality has propelled these authors and novels into the international spotlight Bergman uses this innovative angle to retell the recent history of crime fiction in Sweden exploring central themes and selecting key authors that have garnered national and international acclaim for their lethal plots Swedish Crime Fiction The Making of Nordic Noir contextualizes the explosive recent history of the genre offering newcomers and aficionados insights into the minds of protagonists and their literary creators This is the first research based and exhaustive presentation of Swedish crime fiction and its Nordic neighbours to an international audience

A Hospitable World? David Jordhus-Lier, Anders Underthun, 2014-10-30 The hospitality and tourism sector is a large and rapidly expanding industry worldwide and can rightfully be described as a vehicle of globalisation Hotels are among the cornerstones of the industry often drawing workers from the most vulnerable segments of multicultural labour markets accommodating and entertaining tourists and business travelers from around the world This book explores the

organisation of work worker identities and worker strategies in hotel workplaces as they are located in heterogeneous labour markets being changed by processes of globalisation It uses an explicitly geographical approach to understand how different groups of workers experience and respond to challenges in the hospitality industry and is based on recent theoretical debates and empirical research on hotel workplaces in cities as different as Oslo Goa London Las Vegas and Toronto A multi scalar analysis is taken where concrete worker bodies and their physical emotional and embodied labour are seen in relation to among other aspects the regulation of national and regional labour markets city governments with global city ambitions and global corporate actors and labour migration patterns The book sheds light on the hotel workplace as a hierarchical and fragmented social space as well as addressing questions on worker mobility the fragmentation of work scales of organisation and how workers can help shape the regulation of their industry This timely volume brings together contributions from international academics and is valuable reading for all those interested in hospitality tourism human geography and globalisation

Reframing Prostitution N. Persak,G. Vermeulen,2014-07-07 Prostitution has always fascinated the public and bewildered policy makers Reframing Prostitution explores several aspects of this multidimensional phenomenon examining different ways in which prostitution is and was being practised in different places and different times best practices in the regulation of prostitution as well as wider social and psychological issues such as the construction of prostitution as incivility or of prostitutes as a socially problematic group or as victimised individuals The book also addresses normative questions with respect to policy making unmasking the purposes behind certain societal reactions towards prostitution as well as proposing innovative solutions that could reconcile societal fears of exploitation and abuse while meeting the rights and needs of individuals voluntarily involved in prostitution With contributions across social science disciplines this international collection presents a valuable discussion on the importance of empirical studies in various segments of prostitution highlights social contexts around it and challenges regulatory responses that frame our thinking about prostitution promoting fresh debate about future policy directions in this area
