

Formulary Guide

April 1, 2002

Please refer to this guide when prescribing for Horizon/Mercy members. The Horizon/Mercy formulary and prior authorization procedures are key components of the benefit design. The medications included in the formulary are reviewed and approved by the Pharmacy and Therapeutics Committee, which includes practicing Physicians and Pharmacists from the Horizon/Mercy Provider Community. The goal of the formulary is to provide cost-effective pharmacotherapy based on prospective, concurrent and retrospective review of medication therapies and utilization.

In order to obtain prior authorization, please contact the Horizon/Mercy Pharmacy department at 1-800-682-9094 and be prepared to provide relevant clinical information that supports the medical necessity of the requested medication.

Many over-the-counter products are covered and should be considered first-line therapy when appropriate. This formulary is also available via the internet at www.horizon-mercy.com or by contacting provider services at 1-800-682-9094.

On Unemployment, Volume II Mark R. Reiff, 2015-10-07 With unemployment at historically high rates that show signs of becoming structural there is a pressing need for an in depth exploration of this economic injustice Unemployment is one of the problems most likely to put critical pressure on our political institutions disrupt the social fabric of our way of life and even threaten the continuation of liberalism itself Despite the obvious importance of the problem of unemployment however there has been a curious lack of attention paid to this issue by contemporary non Marxist political philosophers On Unemployment explores the moral implications of the problem of unemployment despite the continuing uncertainty involving both its causes and its cures Reiff takes up a series of questions about the nature of unemployment and what justice has to tell us about what we should do if anything to alleviate it The book comprehensively discusses the related theory and suggests how we might implement these more general observations in the real world It addresses the politics of unemployment and the extent to which opposition to some or all of the book s various proposals stem not from empirical disagreements about the best solutions but from more basic moral disagreements about whether the reduction of unemployment is indeed an appropriate moral goal This exciting new text will be essential for scholars and readers across business economics and finance as well as politics philosophy and sociology *Unreason* Kendrick Frazier, Benjamin Radford, 2023-10-17 UNREASON Exploring Pseudoscience Conspiracies and Extraordinary Claims is a collection of forty five of the best articles the legendary Skeptical Inquirer magazine has published in the past decade Featuring articles from writers including Neil deGrasse Tyson on the process of science Richard Dawkins on the standards of truth Elizabeth Loftus on memory Steven Pinker on the notion of progress and many others covering topics from the politicization of science to the frightening rise of misinformation each entry in this collection brings scientific examination to bear in order to ferret out the facts and misconceptions behind popular claims All of the articles within are interesting and readable Yet they are also quite diverse Some articles reinforce and complement each other others as happens in science may voice disagreements or differing perspectives But they all have one thing in common a respect for evidence a demand for the best most well tested most scientifically reliable information Readers will learn Why and how conspiracy rumors start spread and readily gain believers How to stay afloat in a sea of disinformation and survive the age of misinformation Why and how we form beliefs and adhere to them so powerfully How and why memory is fallible and what we can do about it How pseudoexperiments mislead the public about science Unreason will arm readers with scientific knowledge to curb the misinformation and misconceptions that increasingly threaten our civil discourse Even further these essays present a way for us to be better citizens equipped to deal with the winds of misinformation and disinformation swirling about us and better able to look ahead to a world where science and reason indeed just good old common sense can prevail [The President's Health Care Law Does Not Equal Health Care Access](#) United States.
